

September 18 through October 2 I had the privilege to spend time with our brothers and sisters in Zimbabwe. What an amazing time as we celebrated the opening of the new church building in Mupumbu.

The first Saturday I met with many of the elders of the four congregations that make up the Mupumbu church. I was able to share our vision for the work there and hear their plans for the future.

The first Sunday we had 84 in attendance and a wonderful worship service. I gave two messages along with much singing and dancing.

The following week I was able to visit all four villages and meet in many congregants homes.

The next Saturday I was blessed to participate in 33 baptisms among whom were five men.

And the following Sunday we celebrated the grand opening for the church.

I want to heartily thank everyone who has given to the church construction and making my trip possible. We are praying as we seek God's will concerning our participation in the work there.
