We are happy to announce the following:

- **Effective Monday, May 11, 2020, we will resume a limited bulk item collection.**
- **Each resident can place one bulk item at the curb on their regularly scheduled collection day during the month of May (from May 11- May 29).**
- **Regular bulk item collection will resume for your community June 1, 2020.**
- **A bulk item could include small furniture, carpet, mattress or an appliance.**

As we resume bulk collection, residents' collection times may be later than normal. Waste Management appreciates your patience, cooperation, and understanding during this difficult time, and we thank you for your valued partnership.
