

RESOLUTION

ESTABLISHING NEW WATER RATES IN THE TOWN OF MITCHELL, GEORGIA

WHEREAS, the Town Council has reviewed the current water rates; and

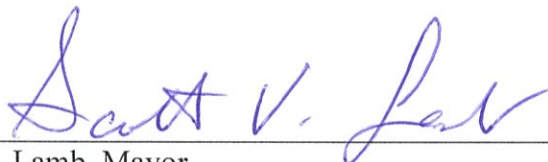

WHEREAS, the Town Council has decided that it is fiscally expedient to increase current water rates; now, therefore

BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MITCHELL, GEORGIA, THAT EFFECTIVE JANUARY 1, 2016:

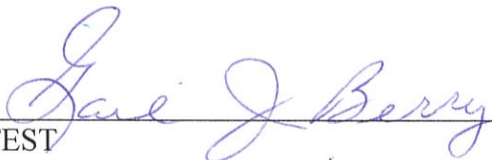

- A. Water rates for single meter residential and commercial customers within the town limits of the Town of Mitchell shall be as follows:
 - 1. A minimum bill charge of seventeen dollars (\$17.00) which includes up to 1,000 gallons of water usage per month (billing period).
 - 2. All usage over 1,000 gallons shall be billed at the current rate of three dollars and no cents (\$3.00) per thousand gallons.

- B. Water rates for single meter residential and commercial customers outside the town limits of the Town of Mitchell shall be as follows:
 - 1. A minimum bill charge of thirty-one (\$31.00) which includes up to 1,000 gallons of water usage per month (billing period).
 - 2. All usage over 1,000 gallons shall be billed at the current rate of three dollars and no cents (\$3.00) per thousand gallons.

ADOPTED this 9th day of **November**, 2015.

Scott V. Lamb, Mayor
