

**STAGE CONSTRUCTION/STAGE USAGE**

Councilman Griswell reported that the stage construction is progressing. He is ready to order the trusses and anticipates pouring the concrete next week. Mr. Griswell also noted that groups/individuals might want to use the stage for functions that are not community oriented. Council noted that these requests would need to be approved by the Mayor and Council.

There being no further business, meeting adjourned at 8:15 p.m.
