

Quick Insights into VP Candidate Gov. Tim Walz

Governor Tim Walz, a seasoned public servant with a distinguished twelve-year tenure in the U.S. Congress, has been chosen as the Democratic Vice Presidential Nominee. With a rich background in education and military service, Walz is renowned for his unwavering commitment to working families and his pragmatic approach to governance. His extensive record highlights his dedication to fostering economic growth, enhancing educational opportunities, ensuring public safety, and protecting healthcare rights

Personal Story

- **Early Life and Education:** Born in Nebraska, Tim Walz graduated from Chadron State College and later served in the Army National Guard. His background in rural America shapes his political perspective.
- **Career in Education:** Before entering politics, Walz was a high school teacher, both on the Pine Ridge Indian Reservation and in Mankato, Minnesota, where he met his wife, Gwen.
- **Family:** Walz and his wife have two children, Hope and Gus. Their personal struggles with fertility issues have strengthened his commitment to reproductive healthcare.

Economic Achievements

- **Job Growth:** Under Walz's leadership, Minnesota ranks as the fifth-best state for job growth, achieving the lowest unemployment rate in state history.
- **Tax Cuts and Investments:** Implemented significant tax cuts, including the first middle-class tax rate cut in 20 years, and over a billion dollars in pandemic-related tax relief.
- **Infrastructure and Connectivity:** Expanded high-speed internet access across Greater Minnesota and invested \$1.9 billion in local construction projects, creating thousands of jobs.

Quick Insights into VP Candidate Gov. Tim Walz

Education and Equal Opportunity

- **Public School Support:** As a former teacher, Walz prioritized education, increasing per-pupil funding and expanding pre-kindergarten programs.
- **Pandemic Response:** Invested in summer learning programs to mitigate educational disruption during COVID-19 and supported schools with critical funding.
- **Women's and Children's Welfare:** Under Walz's administration, Minnesota was ranked the best state for women and children during the pandemic.

Public Safety and Police Reform

- **Police Reforms:** Signed the bipartisan Minnesota Police Accountability Act, banning chokeholds, mandating body cameras, prohibiting fear-based training, and granting the attorney general independent jurisdiction over police-involved deaths to enhance transparency and justice.
- **George Floyd Response:** Appointed Minnesota Attorney General Keith Ellison to lead the prosecution, emphasizing a commitment to justice and addressing systemic issues.
- **Violence Prevention:** Funded new violence prevention programs and utilized state resources to tackle carjackings, street racing, and gun violence.

Healthcare and Reproductive Rights

- **Healthcare Access:** Preserved the Health Care Access Fund, supported affordable healthcare initiatives and passed the Alec Smith Insulin Affordability Act.
- **Reproductive Rights:** Codified abortion rights in the state constitution and issued an executive order to shield traveling patients and Minnesota providers from out-of-state abortion penalties.
- **Pandemic Response:** Led a robust COVID-19 response, providing substantial support to small businesses and essential workers and facilitated a rapid economic recovery.
