

Free UGLY BUG TRAIL

7th - 21st April daytime

Bring the kids to the UGLY BUG TRAIL round the outside of All Saints church - free for all children accompanied by adults to receive a small Easter egg and decorative garden butterfly.

On the back of this leaflet are pictures of different bugs. Find the matching pictures in the grounds around the sides of the church (they are not in the Garden of Remembrance). Tick the pictures of the ones you find. If the children spot at least eight out of the twelve possible bugs, fill in the form below, put it in the special 'bug box' at the back of the church and let each of them choose their Easter egg and a pretty garden butterfly to take home. *We hope you have fun!*

There is no charge for the trail but we are trying to raise £100,000 to paint the outside of the church so, if you can help us, just use the card machine in church to tap in a donation, scan in this QR code or use the All Saints Weston website to do so. It would be much appreciated..
