

8th - 15th April

Beware of Pirates!

Calling all children

We have been warned that dangerous pirates are planning to steal Weston Green children's Easter eggs. Oh No!

Help us to find the naughty pirates who are hiding around the outside areas of the church.

On the back of this leaflet are pictures of the pirates. If you can find some of find them, tick them off and our church warden will round them up later.

As a reward, bring your leaflet into the church and choose a chocolate egg and your own pirate eye-patch from our treasure chest.

Thank you for keeping our chocolate eggs safe this Easter!

(The church is open during daylight hours. Please don't come into the church during a service or enter the Remembrance Garden.)

Beware of Pirates!

Circle the picture when you spot some of these terrible pirates around the outside of the church. Then claim your reward inside.
