**Our FREE Easter trail**

In the church you will find a leaflet with picture clues to spot around the outside areas of All Saints Weston Green church. Look carefully at the clues and, if you can see where the photos were taken, tick them off on the leaflet itself.

If you tick 8 or more of them, you can help yourself to a police style notebook and little chocolate Easter egg from an I-Spy box inside the church.

(please be respectful if there's a service going on)

**Happy hunting!**
