

# ARTIFICIAL INTELLIGENCE

## TRANSFORMATION ROADMAPS

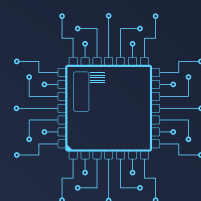

Ready to Unlock Your AI Potential? Not Sure How to Get Started? Let's Talk, Micro & Midmarket Innovators.

Book Your Free 45-min AI-Curious Workshop

### "AI-CURIOUS" WORKSHOP

DAY 0

Free 45-minute session to identify which data capture systems, business processes, and key decisions could benefit most from AI-driven automation.

DAY 1

### TECH DEEP DIVE

Prioritize opportunities, determine near-term steps to implementation, and identify any gaps (personnel or technical) for effective deployment, maintenance, and governance.

### FORMALIZE AI ROADMAP

TWO WEEKS

Our certified AI Expert creates your custom AI Transformation Roadmap with periodic follow-up Q&A via email.

DAY 15

### REPORT OUT PRESENTATION

Video or in-person out-brief and Q&A session to ensure you and your technical team are aligned on the AI roadmap.
