

## BOP Business Classification Selection

Our BOP online quoting uses pick lists on the very first screen to choose business classes –step–by–step, you may easily select: Business Type, Class, Segment, Detailed Definition, and an Additional Qualifier if necessary.

This chart is an additional resource to help you determine acceptability or to assist your quote choices – **simply use CTRL F on your keyboard to perform a word search.**

If you have question, please call our customer service team at **855-712-4114**.
