1. LEGAL DESCRIPTION OF LANDS AND DEFINITIONS. The real estate which is hereby submitted and subjected to the provisions of the Horizontal Property Act of Tennessee is legally described as follows:

A tract of land located in the City of Hendersonville in the Fifth Civil District of Sumner County, Tennessee, and being more particularly described as follows:

Being the same property conveyed to Hendersonville Condominium Homes, Inc. from Hendersonville Condominium Homes, Limited Partnership, by deed which is of record in Deed Book 479, page 758 ROSCT.

Said real estate is also described and delineated on a Plat or survey which has been recorded in Plat Book 11, pages 58-62, in the Register's Office of Sumner County, Tennessee (hereinafter "the Plat"). Said Plat, which has been submitted in accordance with the provisions of the Horizontal Property Act, shows the number of each unit, and expresses its area, location and other data necessary for identification. Said Plat is expressly incorporated herein and made a part hereof by reference.

The Horizontal Property Regime established by this Master Deed shall be known as Hickory Bay Towers (formerly known as Hendersonville Condominium Homes).

Except to the extent hereinafter modified or changed, the following words and terms, whenever used herein, shall have the same meaning as provided for such words and terms in the Horizontal Property Act as amended:

"Unit", "Condominium", "Master Deed", "General Common Elements", "Common Expenses", "Person", "Property", and "Limited Common Elements".

General Common Elements and Limited Common Elements are defined in the Horizontal Property Act as follows:

"General Common Elements" means and includes:

- (a) The land whether leased or in fee simple, on which the building stands;
- (b) The foundations, main walls, roofs, halls, lobbies, stairways, and entrances and exits or communication ways;
- (c) The basements, flat roofs, yards, and gardens, except as otherwise provided or stipulated;
- (d) The premises for the lodging of janitors or persons in charge of the building, except as otherwise provided or stipulated;
- (e) The compartments or installations of central services such as power, light, gas, cold and hot water, refrigeration, reservoirs, water tanks and pumps, and the like;
- (f) The elevators, garbage incinerators and, in general, all devices or installations existing for common use; and
- (g) All other elements of the building rationally of common use or necessary to its existence, upkeep and safety;

"Limited Common Elements" means and includes those common elements which are agreed upon by all of the coowners to be reserved for the use of a certain number of apartments to the exclusion of the other apartments, such as special corridors, stairways and elevators, sanitary services common to the apartments of a particular floor, and the like.

As previously stated, the Developer may elect whether or not to build Phases 2, 3, and 4 (ie. Buildings 2, 3, and 4) on the aforesaid property, and if constructed, said Phases will be added to this Horizontal Property Regime. In the event that the Developer does not build beyond Phase 1 (Building 1), the undivided interest of the unit owners in Phase 1 is not to be construed as an

interest in that portion of the Developer's land which is not being utilized in Phase 1 or which is not necessary for the completion and development of or free access to Phase 1. In other words, the undivided interest of each of the unit owners in Phase 1 would consist entirely of an exclusive ownership in said unit owner's condominium unit and an undivided interest or common right to share with the other coowners, in the Common Elements (both General and Limited) of the property, and the absolute right of access to all of the above. The same is true for the unit owners in Phases 1 and 2 (Buildings 1 and 2) in the event that the Developer does not build beyond Phases 1 and 2. The same is also true for the unit owners in Phases 1, 2, and 3 (Buildings 1, 2, and 3) in the event that the Developer does not build beyond Phases 1, 2, and 3.

2. DESCRIPTION OF BUILDINGS. Building 1 situated on said real estate is fully described in the Plat.

Said building is constructed of the following principal materials:

Masonry, steel frame, concrete and steel.

Hickory Bay Towers shall consist of four buildings of which Building 1 is to be constructed first and followed by other buildings which will be created, added and subjected to this Horizontal Property Regime by addendums to this Master Deed, as needed. Developer specifically reserves the right, from time to time, within ten years of the date of the recording of this Master Deed, to amend this Master Deed to the extent of adding additional buildings, units and Common Elements; and once added by addendum described below, the units therein shall have the same rights and privileges as herein. In furtherance of the foregoing, an irrevocable power coupled with an interest is hereby granted and reserved unto Developer, its successors and assigns; however, individual unit owners shall not be included within the meaning of successors and assigns as used in this paragraph, to shift and reallocate from time to time the percentage of ownership in the common elements appurtenant to each unit to the percentages set forth in each addendum pursuant to this paragraph. Each execution of a deed of conveyance, mortgage, or other instrument with respect to a unit and the acceptance thereof, shall be deemed a grant, and an acknowledgement of conclusive evidence of the parties thereto to the consent of such reservation of power to the developer as attorney in fact and shall be deemed to reserve to developer and its successors and assigns the power to shift and reallocate from time to time the percentages of ownership in the common elements appurtenant to each unit as set forth in each such recorded addendum. Further, Developer specifically

reserves unto itself and its successors and assigns the rights to determine the location of carports and other parking areas designated as "Reserved" areas on the Plat.

Each owner of a unit by acceptance of a deed thereto further acknowledges, consents, and agrees to each such amendment that is recorded as follows:

(a) The percentage of ownership in the common elements appurtenant to each unit shall automatically be shifted and reallocated to the extent set forth in each such recorded amended declaration of Master Deed and upon the recording of each such amended declaration of Master Deed the amount by which such percentage appurtenant to the unit is reduced, as set forth in each such recorded amended declaration, shall thereby be, and be deemed to be, released and divested from such unit and reconveyed and reallocated among the unit owners as set forth in each such recorded amended declaration of Master Deed.

(b) Each deed, mortgage or other instrument affecting a unit shall be deemed given subject to the conditional limitation that the percentage of ownership in the common elements appurtenant to each unit shall, upon the recording of each amended declaration, be divested, pro-tanto to the reduced percentage set forth in such amended declaration and vested among the other owners, mortgagees, and others owning an interest in any other unit in accordance with the terms and percentages of each such recorded amended declaration.

(c) A right of revocation is hereby reserved by the grantor in each such deed, mortgage, or other instrument of a unit to so amend and reallocate the percentage of ownership in the common elements appurtenant to each unit.

(d) The percentage of ownership in the common elements appurtenant to each unit shall include and be deemed to include any additional common elements annexed hereto by a recorded amended declaration and each deed, mortgage, or other instrument affecting a unit shall be deemed to include such additional common elements and the ownership of any such unit and lien of any such mortgage shall automatically include and attach to such additional common elements as such amended declarations of Master Deeds are recorded.

(e) Each owner shall have a perpetual easement, appurtenant to his unit for the use of any additional common elements annexed thereto by and described in any recorded amended declaration of Master Deed for the purposes therein set forth, except as to any portion the use of which is limited by exclusive easement granted to the owner of specific units as may be provided in any such amended declaration of Master Deed.

(f) The recording of each such amended declaration of Master Deed shall not alter the amount of the lien for expenses assessed to a unit prior to such recording.

(g) Each owner, upon acceptance of the Deed conveying his unit, agrees for himself and all those claiming under him, including mortgagees, that this Master Deed and each amended declaration of Master Deed is and shall be deemed to be in accordance with the Act, and for the purposes of this declaration and the Act, any changes in the respective percentages of ownership in the common elements as set forth in each such amended declaration of Master Deed shall be deemed to be made by agreement of all unit owners.

(h) Developer reserves the right to amend this Master Deed in such manner, and each owner agrees to execute and deliver such documents as may be necessary or desirable to the Developer to cause the provisions of this paragraph (2) to comply with the Act as it may be amended from time to time.

(1) The foregoing provision of this Master Deed and in the deeds and mortgages of the units and common elements, contain and will contain clauses designed to accomplish a shifting of the common elements. None of said provisions shall invalidate the other, but each shall be supplementary to the other toward the end that a valid shifting of the common elements can be accomplished.

(b) The location, dimensions and limited common elements to which each unit has access are set forth in and on said Plat. The legal description of each unit shall consist of its number as aforesaid followed by the words "in Hickory Bay Towers, a Condominium Unit established by the Master Deed recorded in Deed Book 493, Page 567, and Amendments thereto". Each unit shall consist of the space enclosed and bounded by the horizontal plane of the undecorated interior finished surfaces of the ceiling, floor and perimeter walls of each unit shown on said Plat, and shall include the exclusive right to use the limited common elements immediately adjacent to said unit as shown by said Plat.

(c) No unit shall by Deed, Plat, Court Decree, or otherwise be subdivided or in any other manner separated into tracts or parcels smaller than the whole unit as shown on the Plat.

4. DESCRIPTION OF COMMON ELEMENTS. The general common elements shall consist of that property as set forth on the Plat, excepting the individual units and fixtures therein and excepting any portion of the property or appurtenances thereto described as limited common elements, and shall include but not be limited to the land as set forth in the Plat on which the Building(s) stands and any improvements, and fixtures attached thereto, entrances and exits, attics, chimneys, dormers, corridors, vestibules, lobbies, any recreational rooms, stairwells, garbage chutes, storage, trash rooms, elevators, roofs, pipes, ducts, electrical wiring and conduits, parking areas not covered, retention basin, public utility lines, floor and ceilings (other than the interior undecorated surfaces thereof located within the units), perimeter walls of the units (other than the window glass and doors thereof, which are included in the common elements, and the interior undecorated surfaces thereof), structural parts of the building, outside walls and outside driveways, landscaping and all other portions of the property except the individual units and any limited common elements attached thereto. Structural columns and load bearing walls located within the boundary of the unit shall be a part of the general common elements. 5. DEFINITION AND DESCRIPTION OF LIMITED COMMON ELEMENTS. A limited common element is a common element the right of exclusive use and position of which is appurtenant to one or more units, as designated on the Plat, or added by addendum. A limited common element is a common element which shall be maintained (except as specified herein) by the unit owner and limited to the use, enjoyment and occupancy of said particular unit or units.

Any balcony or patio or area used exclusively by the unit for which said area was built shall be designated as a limited common element and any covered carport shall be limited common element and shall be the exclusive use of said unit so designated. Said carport or limited parking area shall be maintained by the Board. The windows, window glass and doors of each unit are limited common

elements and are to be maintained by each unit owner. Those common elements within those buildings having such hallways, chutes, stairways, elevators, lobbies, recreational and other such interior common elements shall be used only by those unit owners within said buildings, and in addition, any social amenity shall be deemed a limited common area for only those unit owners within that building, and the Homeowners Association or Board shall maintain same at the Board's expense.

Units designated as having an approximate interior area of 1,178.78 square feet have a gross living area of 1,247 square feet, units designated as having an approximate interior area of 1,364.12 square feet have a gross living area of 1,440 square feet, and units designated as having an approximate interior area of 1,462 square feet have a gross living area of 1539 square feet.

The Developer, in his sole discretion, has the right to decide whether to construct Buildings 2 (58 units), 3 (58 units),

4 (68 units) of Hickory Bay Towers.

Each unit owner shall own an undivided share of the common elements and shall be liable for a share of the common expenses therefor, subject to the provisions of this Master Deed and By-Laws. Any conveyance of any individual unit shall be deemed to also convey the owner's undivided interest in the common elements as the same may be adjusted in accordance with the provisions of this Master Deed and By-Laws, by the construction and addition of Buildings 2, 3 and 4.

This Master Deed submits a total acreage of 14.62 acres, more or less, to the regime, subject to the provisions of Section 1 of this Master Deed, and provides for a total of 242 units, so that should the Developer complete all four buildings, each unit owner would own a one-two hundred forty second (1/242nd) percent interest in the common elements. Developer reserves the right to construct and complete Buildings 2, 3 and 4, and to accordingly adjust the percentage interest of each owner in the common elements. The Developer has the right to make any such adjustments by amendments to this Master Deed and By-Laws. Depending on whether the Developer elects to construct one or all four proposed buildings, the undivided interest of each unit shall be as follows:

| <u>BUILDINGS</u>       | <u>UNDIVIDED INTEREST PER UNIT</u> |

| If Buildings 1,2,3,&4  | 1/242                              |

Any unit as herein set forth or as included by amendment receives no present interest in and to any land specifically reserved by the Developer.

7. PURPOSE.

(b) From time to time, Developer shall file amendments to this Master Deed and said amendments shall have attached thereto, plans or Plats showing size, area, location and unit number of each unit being created thereby, and any additional common elements being annexed, and such amendments may further designate the undivided interest in the general common elements appurtenant to each unit being created thereby in each building. All lenders on units in the existing buildings and all purchasers of existing units take subject to and consent to this designation of interest in the general common elements all as provided under the provisions of this Master Deed and any such amendments.

8. DAMAGE OR DESTRUCTION. The Homeowners Association acting by and through its Board shall acquire insurance protection for the Horizontal Property Regime, including but not exclusively, casualty, liability and employee workmen's compensation insurance, without prejudice to the right of each co-owner to insure his own unit on his own account and for his own benefit. The premiums on such insurance acquired by the Board shall be considered common expenses, provided should the amount of any insurance premium be affected by a particular use of a unit or units, the owners of such units shall be required to pay any increase in premium resulting from such use.

In case of fire or any other disaster the insurance indemnity shall, except as provided in the next succeeding paragraph, be applied to reconstruct the building, and if the Regime's insurance indemnity is not sufficient to cover the cost of reconstruction or repair, the cost (or added cost) shall be paid by the co-owners as a common expense; the Homeowners Association by a majority vote being authorized to borrow funds therefore and to amortize the repayment of same over a period of time, not exceeding the reasonable life of the reconstruction or repairs.

Reconstruction shall not be compulsory where it comprises the whole or more than two thirds of the building. In such case, and unless otherwise unanimously agreed upon by the coowners, the indemnity shall be delivered prorata to the coowners entitled to it. Reconstruction and repairs shall be made to follow and conform as closely as possible to the original basic architectural design of Hickory Bay Towers. Where reconstruction or repair is to be accomplished all insurance proceeds resulting from damage or destruction and which is payable to unit owners and first mortgagees (as their interest may appear), shall be deemed assigned to the Board, representing the Homeowners Association, and who shall immediately deposit all proceeds in a trust account

with an Insured Bank or Financial Institution selected by the Board. Said Trust Account shall be entitled "Hickory Bay Towers Trust Account for Repairs and Reconstruction". The Board, with qualified supervision, shall oversee all repairs and all reconstruction. Disbursements shall be made from said Trust Account as repairs and reconstruction are made only with the approval of the majority of the Board and using standard construction disbursement procedures.

9. EASEMENTS AND ENCROACHMENTS.

(a) Easements are hereby declared reserved and granted for utility purposes, including but not limited to the right to install, lay, maintain, and repair, and replace water mains and pipes, sewer lines, gas mains, telephone wires and equipment and electrical conduits and wires and equipment over, under, along and on any part of the common elements as they exist on the date of the recording hereof and as they hereafter exist when the addendum or addenda are recorded.

(b) In the event that by reason of the construction, reconstruction, settlement or shifting of the building, or the design or construction, or any part of any unit or any part of the common elements encroaches or shall hereafter encroach upon any part of any unit, or any part of any unit encroaches on any part of the common elements, valid easements for the maintenance of such encroachments are hereby established and shall exist for the benefit of such unit and the common elements as the case may be, so long as all or any part of the building containing such unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any unit or in favor of the owners of the common elements if such encroachments occur due to the willful conduct of said owner or owners. In addition to the foregoing, there is expressly reserved an easement for support in favor of each unit and the common element where required.

All purchasers of units shall have easements for purposes of ingress and egress on and over the "Reserved" areas to any social or recreational amenity or access to the main thoroughfare.

(c) All easements and rights described herein are easements appurtenant, running with the land, and shall inure to the benefit of and be binding on the undersigned, its successors and assigns, and any owners, purchaser, mortgagee, and other person having an interest in said land, or any part or portion thereof.

(d) The respective deeds of conveyance, or any mortgage or trust deed or other evidence of obligation shall be subject to the easements and rights described in this Master Deed and by reason of or reference to this Master Deed shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees, and trustees of such parcels as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

(e) Easements for Futures Utilities. Upon a majority of the Board of Directors of Hickory Bay Towers Homeowners Association, Inc., the Board may direct its President to grant easements for utility purposes for the benefit of the Project, including the right to install, lay, maintain, repair and replace water mains and pipes, sewer lines, gas mains, telephone wires and equipment and electrical conduits and wires over, under, along and on any portion of the common elements and each unit owner hereby grants the Board an irrevocable Power of Attorney to execute, acknowledge and record, for and on behalf of each unit owner, such instruments or documents as may be necessary to effectuate the foregoing. The Power of Attorney shall survive any disability or death of the unit owner and shall be binding on each successive owner.

10. BY-LAWS OF HICKORY BAY TOWERS. The provisions of this paragraph 10 shall constitute the By-Laws by which, in addition to the other provisions of this Master Deed, the administration of the property shall be governed as follows:

(a) Homeowners Association. The term "Homeowners Association" as used herein and throughout this Master Deed shall mean Hickory Bay Towers Homeowners Association, Inc., a non-profit corporation of Tennessee, the members of which are all the owners, from time to time, of units in Hickory Bay Towers.

(b) One Vote Per Unit. Each unit owner (including the Developer if the Developer shall then own or hold title to one or more units), or some person designated by such unit owner or owners to act as proxy on his or their behalf, shall be entitled to cast one vote at all unit owner's meetings for each unit owned by such unit owner; provided, however, that prior to the "Turnover Date" (as defined in paragraph 10 h of this Master Deed), all voting rights shall be vested exclusively in the Developer, and all other unit owners shall have no voting rights prior to that date. If any unit is owned by more than one person, the voting rights with respect to such unit shall not be divided but shall be

exercised as if the unit owners consisted of only one person in accordance with the proxy or other designation made by the persons constituting such unit owner.

Until such time as Building 2 has been completed and the title to the first unit in such building has been conveyed (although after the Turnover Date as defined below), the total number of authorized votes shall be 58 (ie. the number of units in Building 1). In the event that the Developer elects to construct Buildings 2, 3 and/or 4, units in Building 2, 3 and 4 shall be entitled to vote and shall be chargeable with their share of common charges, from and after the date of conveyance of the first unit in such building.

(c) Board of Directors. The direction and administration of the property on behalf of the unit owners shall be vested in the Board of Directors acting for the Homeowners Association (herein referred to as the "Board"), consisting of nine (9) persons who shall be elected in the manner hereinafter provided. Prior to the Turnover Date, however, the Board shall consist of three persons all of whom the Developer shall have the sole right to elect, and who need not be owners of units. After the Turnover Date, each member of the Board shall be one of the unit owners; provided, however, that in the event a unit owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any shareholder, officer or director of such corporation, partner of such partnership, beneficiary or individual trustee of such trust, or manager of such other legal entity shall be eligible to serve as a member of the Board.

Hickory Bay Towers Homeowners Association, Inc. is specifically formed to provide a necessary means of structuring a self-governing body, but said Corporation shall act only as an agent for unit owners and in no event shall it be construed to be an income producing entity.

(d) Voting After the Turnover Date and Voting By the Board. Subject to the provisions of this paragraph, after the Turnover Date, at each annual meeting of the Homeowners Association, the unit owners shall, by a vote of a majority of the unit owners (in each building) present at such meeting, elect the Board for the forthcoming year in the manner set forth below. Members of the Board shall serve without compensation for a term of one (1) year. Vacancies in the Board shall be filled by the majority vote of the remaining members of the Board. A majority of the members of the Board shall constitute a quorum. The Board shall act by the vote of the majority of those members present at a meeting of the Board when a quorum is present.

During such time as Phase 1 (Building 1) is the only Phase with units which have authorized voting rights (i.e. the units of a Phase (Building) do not have authorized voting rights until the Building has been constructed and the sale of the first unit in the Building has been closed, at which time all units in the Building have authorized voting rights, with the Developer having the right to vote for each unsold unit which he owns or holds) units in Phase 1 shall elect the entire Board. At the first annual Board election after the unit owners in Phase 2 acquire voting rights, unit owners in Phase 1 shall elect four members to the Board, unit owners in Phase 2 shall elect four members to the Board, and the ninth member of the Board shall be elected by majority of the unit owners in Phases 1 and 2. At the first annual Board election after the unit owners in Phase 3 acquire voting rights, unit owners in Phases 1, 2 and 3 shall each elect three members to the Board. At the first annual Board election after the unit owners in Phase 4 acquire voting rights, unit owners in Phases 1, 2, 3 and 4 shall each elect two members to the Board, and the ninth member of the Board shall be elected by the majority of the unit owners in Phases 1, 2, 3 and 4.

(e) Board Meetings. A regular annual meeting of the Board shall be held immediately after, and at the same place as the annual meeting of the Homeowners Association. Other meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may from time to time adopt.

(f) Removal of Board Member After Turnover Date. After the Turnover Date a member of the Board may be removed from office by the affirmative vote of sixty-six and two-thirds (66 2/3%) per cent of the unit owners at a special meeting of the unit owners called for such purpose.

(g) Powers and Authority of the Board. The Board shall have the power:

(i) To engage the services of a full time janitor, manager or managing agent, who may be any person, firm or corporation upon such terms and compensation as the Board deems fit, and to remove such manager or managing agent at any time;

(ii) To engage the services of any professional persons deemed necessary by the Board at such compensation deemed reasonable by the Board, in the operation, repair, maintenance and management of the property, and to remove, at any time, any such personnel;

(iii) To establish or maintain one or more bank accounts for the deposit of any funds paid to, or received by the Board.

(iv) The Board shall employ, and pay out of the maintenance fund a full time janitor, manager, managing agent, and other personnel above provided for and shall make arrangements for and pay out of the maintenance fund the following:

(a) Roadway repairs, security systems and maintenance thereon, apportionment warrants, public improvements as assessed by any governmental agency, recreational areas, water, waste, waste removal, electricity and telephone and other necessary utility services for the common elements and such services to the units as are not separately metered or charged to the owners thereof;

(b) A policy or policies of insurance for the property against loss or damage by fire and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the common elements and the units. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to the Board, for the benefit of each of the unit owners and their mortgagees under loss payable clauses, in the percentages set forth in paragraph 6 of the established value set forth in said policy. The Board may also purchase such other insurance as the Board deems advisable in the operation, and for the protection of the property and the units. Premiums for all insurance provided for in this Master Deed shall be common expenses; for assignment of insurance funds for reconstruction, see paragraph 8 of this Master Deed, the provision of which are specifically incorporated into these By-Laws, by reference.

(c) A policy or policies insuring the Homeowners Association and all unit owners against any liability to the public or to the owners of units and of the common elements, and their invitees or tenants, incident to the ownership and/or use of the common elements, the liability under which insurance shall not be less the ONE MILLION and 00/100 (\$1,000,000.00) DOLLARS for any one person injured; THREE MILLION and 00/100 (\$3,000,000.00) DOLLARS for any one accident; and ONE HUNDRED THOUSAND and 00/100 (\$100,000.00) DOLLARS for property damage (such limits to be reviewed at least annually by the Board and increased at its discretion).

(d) Workmen's Compensation insurance to the extent necessary to comply with any applicable laws;

(e) Landscaping, gardening, snow removal, painting, cleaning, tuckpointing, maintenance, decorating, repair and replacement of the common

elements (but not including the interior surfaces, windows, and doors of the units, which the respective unit owner shall clean, decorate, maintain and repair), and such furnishings and equipment for the common elements as the Board shall determine are necessary and proper; and the Board shall have the exclusive right and duty to acquire the same for the common elements;

(f) Any other materials, supplies, furniture, labor services, maintenance, repairs, structural alterations or assessments which the Board deems necessary or proper for the maintenance and operation of the property as first-class condominium project or for the enforcement of any restrictions or provisions contained herein;

(g) Any amount necessary to discharge any mechanic's lien or other encumbrance levied against the property or any part thereof which may in the opinion of the Board constitute a lien against the property or against the common elements, rather than merely against the interest therein of particular unit owners. Where one or more unit owners are responsible for the existence of such lien, they shall be jointly and severally liable for the costs of discharging it and any costs incurred by the Board by reason of said lien or liens shall be specially assessed to said unit owners and shall, until paid by such owners, constitute a lien on the interest of such owners in the property, which lien may be foreclosed in like manner as a mortgage;

(h) Maintenance and all repairs of the parking area both limited and general common elements.

(i) Maintenance and repair of any unit or any other portion of the property which a unit owner is obligated to maintain or repair under the terms hereof; if such maintenance or repair is necessary, in the discretion of the Board, to protect the common elements, or any other portion of the property, and the owner or owners of said unit have failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity of said maintenance or repair delivered by the Board to said owner or owners; provided that the Board shall levy a special assessment against such unit for the cost of said maintenance or repair and the amount of such special assessment shall constitute a lien on the interest of such unit owners or owner in the property, which lien may be foreclosed in a like manner as a mortgage.

(h) Turnover Date. Notwithstanding any of the other provisions of this Master Deed or the By-Laws to the contrary, the overall management and operation shall be under the direction of Developer until 75% of the units in the total

project (of 242 units) are sold or four years after date hereof, which ever occurs first. That date shall be the "Turnover Date", at which time all maintenance funds, books, accounts and the entire managing operation shall be turned over to the Homeowners Association together with a certified audit by a Certified Public Accountant and paid for by the Homeowners Association. Within 60 days of the Turnover Date, the Developer shall upon five (5) days written notice to all unit owners, call the first annual meeting of the Homeowners Association for purpose of selecting the Board and Officers. Thereafter, an annual meeting of the Homeowners Association shall be held on the second Tuesday in January in each year for the purpose of electing members of the Board and such other business as may come before the meeting. Special meetings of the Homeowners Association may be called, for any reasonable purpose, either by the President, or not less than twenty-five percent (25%) of the unit owners, the notice for which shall specify the matters to be considered at such special meeting.

(i) Time and Place for Board Meetings. All meetings of the Homeowners Association shall take place at 7:00 P.M. in some section of the property designated by the person or persons calling a special meeting, or at such other reasonable place and time designated by the Board. Written notice of the holding of any regular or special meeting of the Homeowners Association stating the date, hour and place of such meeting shall be sent by mail or delivered in person to each unit owner in care of his unit at least five (5) days before the date of such meeting. A majority of the unit owners shall constitute a quorum at all such meetings. A unit owner may vote either in person or by proxy at any regular or special meeting of the Homeowners Association. Every proxy must be in writing and no proxy shall be valid after eleven months from the date of its execution.

(j) Officers. A president, one or more vice-presidents, a secretary and a treasurer shall be elected at each annual meeting of the Board from among its members. Any such officer may be removed by the affirmative vote of five of seven members of the Board at any time. A vacancy in any office may be filled by the Board for the unexpired term.

(k) Duties and Powers of President. The President shall preside over the meetings of the Board and the Homeowners Association; he may sign, together with any other officer designated by the Board, any contracts, checks, drafts or other instruments designated or approved by the Board. In the absence of the

president, or in the event of his inability to act, the vice-presidents (in the order elected) shall perform the duties of the president.

(l) Duties and Powers of Secretary. The secretary shall keep the minute book wherein all resolutions shall be recorded and shall see that all notices (except the notice for the first annual meeting of the Homeowners Association) are duly given as herein provided.

(m) Duties and Powers of Treasurer. The treasurer shall keep all financial records and books of account. All expenses, charges, and costs of the maintenance, repair or replacement of the common elements and any other expenses, charges or costs which the Board may incur or expend pursuant hereto, shall be approved by the Board and a written voucher thereof prepared and signed by the treasurer. There shall be no structural alterations, capital additions to, or capital improvements on the common elements (other than for purposes of replacing or restoring portions of the common areas and facilities) requiring an expenditure in excess of Ten Thousand (\$10,000.00) Dollars without the prior approval of 75% of the unit owners. The provision shall not be applicable until the Turnover Date. Maintenance shall be determined by Developer initially and ultimately by the Homeowners Association.

(n) Budget. Each year on or before December 1st, the Board shall estimate the annual budget of common expenses (the "annual budget") including the total amount required for the cost of wages, materials, insurance, services, and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and shall on or before December 15th, notify each unit owner in writing as to the amount of such estimate with reasonable itemization thereof. Said annual budget shall be assessed in equal proportion against each unit, and shall be assessed to the unit owners. All sums so assessed shall be deemed common expenses. On or before January 1 of each year, and the first of each and every month of said year, each unit owner shall be obligated to pay to the Board, or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this paragraph. On or before the first day of February of each calendar year, the Board shall supply to all unit owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the accounts collected pursuant to the estimates provided, and showing the net

amount over or short of the actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited, in equal proportion to each unit owner, to the next monthly installments due from owners under the current year's estimate, until exhausted, and any net shortages shall be added in equal proportion to each unit owner, to the installments due in the succeeding six months after rendering of the accounting.

The Board shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the common elements and those Limited Common Elements which the Association may be obligated to maintain. The fund is maintained out of regular assessments for common expenses.

Extraordinary expenditures, not originally included in the annual budget which may become necessary during the year shall be charged first against such reserve. If said annual budget proves inadequate for any reason, including nonpayment of any owner's assessment, the Board may at any time levy a further assessment, which shall be assessed to the unit owners in equal proportion. Said further assessment shall also be deemed common expenses. The Board shall serve notice of such further assessment on all unit owners by a statement in writing giving the amount and reasons therefor, and such further assessment shall become effective with the monthly maintenance payment which is due more than ten (10) days after the delivery or mailing of such notice of further assessment. All unit owners shall be obligated to pay the adjusted monthly amount. The Board shall collect all such assessments and any other assessments herein provided for.

A working capital fund is required for the initial months of the project's operations equal to at least two months' assessments for each unit. Each unit's share of the working capital fund must be collected and transferred to the Association at the time of closing of the sale of each unit and maintained in an account for the use and benefit of the Association. (The purpose of the fund is to insure that the Association board will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund are not to be considered as advance payment of regular assessments.)

When the first Board elected hereunder takes office, it shall determine the estimated budget, as hereinabove defined, for the period commencing thirty

(30) days after said election and ending on December 31 of the calendar year in which said election occurs. Assessments shall be levied against the unit owners during said period as provided in this paragraph.

588

The failure or delay of the Board to prepare or serve the annual adjusted budget on the unit owners shall not constitute a waiver or release in any manner of the unit owner's obligation to pay the maintenance and other costs and necessary reserves, as herein provided whenever the same shall be determined, and in the absence of any annual budget or adjusted budget the unit owners shall continue to pay the monthly assessment charges at the then existing monthly rate established for the previous period until the monthly assessment payment which is due not more than ten (10) days after such new annual or adjusted budget shall have been mailed or delivered.

Prior to the Turnover Date, the Developer shall have the right to set the budget and maintenance fee for the condominium unit owners, and the Developer shall further have the right to modify and increase the budget and maintenance fee for each unit owner by up to 20%. The Developer shall give the unit owners 30 days written notice prior to any such increase, and the Developer may make such increases only one time each year commencing with the date on which the first sale of a condominium unit is closed.

Prior to the Turnover Date, the Developer hereby assesses a late fee of \$15.00 for any maintenance fee payment which is not made within 10 days after its due date.

(o) Books of Account and Condominium Documents. The Board shall keep a book with a detailed account in chronological order, of the receipts and expenditures affecting the building and its administration and specifying the maintenance and repair expenses of the common elements and any other expenses incurred.

All funds collected hereunder shall be held and expended solely for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the unit owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the unit owners in equal proportion.

The Board shall also make available to unit owners and lenders, and to holders, insurers or guarantors, of any first mortgage, current copies of the Master Deed (Declaration of Condominium), By-Laws, other rules concerning the

project, as well as the books of account, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances.

Any holder of a first mortgage on a unit is entitled, upon written request, to a financial statement for the immediately preceding fiscal year.

(p) Delinquency or Default in Monthly Charges. In addition to any remedies or liens provided by law, if any unit owner is in default in the monthly payment of the aforesaid charges or assessment for thirty (30) days, the Homeowners Association, may bring suit for and on behalf of itself and as representatives of all unit owners, to enforce collection thereof or to foreclose the lien hereinafter provided; there shall be added to the amount due the costs of said suit, together with legal interest and reasonable attorney fees to be fixed by the Court. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common elements, or abandonment of his or her unit. The unpaid common expenses assessed to a unit owner shall constitute a lien against the unit of such owner and against such owner's interest in the property, as provided in the Tennessee Horizontal Property Act as amended.

(q) Rules and Regulations. The Board may from time to time adopt or amend such administrative rules and regulations governing the operation, maintenance and assessments, beautification and use of the common elements, the limited common elements, and the units not inconsistent with the terms of this Master Deed, but such adoption or amendments must be with the approval of two-thirds of the unit owners, and the unit owners shall conform to and by such rules and regulations.

Written notice of such rules and regulations shall be given to all unit owners and occupants. A violation of such rules and regulations shall be deemed a violation of the terms of this Master Deed.

(r) Violation of Master Deed and By-Laws - Liens and Assessments. The provisions of paragraph 13 of this Master Deed are specifically incorporated into these By-Laws, by reference.

(s) Entry By Board. The provisions of paragraph 14 of this Master Deed are specifically incorporated into these By-Laws, by reference.

(u) Notices. Whenever any notice whatever is required to be given under the provisions of this Master Deed, of By-Laws, a waiver thereof in writing by the person or persons entitled to such notice, whether before or at the time stated therein, shall be deemed equivalent to the giving of such notice.

(v) Non-profit Association. Nothing hereinabove contained shall be construed to give the Board or Homeowners Association authority to conduct an active business for profit on behalf of all the unit owners or any of them.

(w) Exterior Lighting. Notwithstanding the provisions of this Master Deed and By-Laws, the Developer shall have the right to lease all exterior lighting fixtures and equipment from Nashville Electric Service, and to enter into maintenance agreement with Nashville Electric Service for the maintenance, servicing and upkeep of said exterior lighting fixtures and equipment. In the event that the Developer, in its sole discretion, elects to enter into such lease and/or maintenance agreement(s) with Nashville Electric Service, the Developer shall have the right to charge the payments for the lease and/or maintenance agreement(s) to the condominium unit owners, in proportion to their ownership interests, as part of the budget or maintenance fee.

(x) Miscellaneous. Prior to the Turnover Date this paragraph 10 and the By-Laws contained therein shall be exercised by Developer and shall be handled in its entirety by Developer and Developer shall act as the Board in order to complete the development and to assure the placing of the Homeowners Association on a sound basis for the protection of all owners in this Condominium Project in accordance with paragraph (10\_\_).

(y) Amendments to By-Laws. The provision of these By-Laws may only be modified by a proper vote of the owners of two-thirds of the units of Hickory Bay Towers, and any such modification must comply with provisions of Tennessee Code Annotated Section 66-27-112, and the Horizontal Property Act.

The following paragraph shall not be part of the By-Laws set forth herein but shall be considered part of this Master Deed.

(o) There shall be no parking of any automobile, bicycle or any other vehicle in any driveway that shall obstruct thru traffic.

(p) There shall be no washing, waxing or cleaning of any automobile upon any area of the general common elements nor shall there be any mechanical work performed upon any automobile on any area of the general common elements. No vehicle on "blocks" or one infrequently used so as to cause any unsightly distraction will be allowed to remain on the property. If the owners of same refuses to remove or correct the situation, Developer or the Board may have same towed away, at all the unit owner's expense.

(q) Developer or the Board shall have the right to enter any unit in order to effect repairs or replacements for any utility wiring, piping, ducting, or whatever needs to be repaired or replaced within the common element or limited common elements as the case may be. However, said entry shall be with written notice to the unit owners and at a reasonable time.

(r) There shall be no changes, alterations or additions made on the outside of any owner's unit.

(s) Developer shall have the right and privilege to make any and all architectural changes and unit changes as it deems necessary until 100% of all units (ie. 242) are sold and recorded. After the Turnover Date, Developer shall have no further rights to make architectural and unit changes on those buildings completed, sold and recorded.

12. CONDEMNATION. In the event that any governmental agency shall condemn any building or buildings or take any part of the general common elements, the Board shall immediately, after said taking, adjust the interest in

the common elements (should they change) and file an Amendment in the County Clerk's Office setting forth the unit number and the adjusted percentage interest in the common elements.

13. VIOLATION OF MASTER DEED AND BY-LAWS. The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained or contained in the Horizontal Property Act as amended shall give the Board the right, in addition to any other rights provided for in this Master Deed: (a) to enter upon the unit or any portion of the property upon which, or as to which, such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting unit owners, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach. Furthermore, if any unit owner (either by his own conduct or by the conduct of any other occupant of his unit) shall violate any of the covenants of this Master Deed or the regulations adopted by the Board and such violation shall continue for thirty (30) days after notice in writing or shall reoccur more than once thereafter, then the Board shall have the power to issue to the defaulting unit owner a ten (10) day notice in writing to terminate the rights of the said defaulting owner to continue as a unit owner and to continue to occupy, use or control his unit, and thereupon an action in equity may be filed by the Board against the defaulting unit owner for a decree of mandatory injunction against the unit owner or occupants, or in the alternative, a decree declaring the termination of the defaulting unit owner's right to occupy, use and control the unit owned by him on account of the breach of covenant and ordering that all the right, title and interest of the unit owner in the property shall be sold (subject to or free of any lien or any existing mortgage, at the mortgagees discretion or election) at a judicial sale upon such notice and terms as the court shall establish, except that the court shall enjoin and restrain the defaulting unit owner from re-acquiring his interest as such judicial sale or by virtue of the exercise of any right of redemption which may be established. The proceeds of any such judicial sale shall be paid to discharge court costs, court reporter charges, reasonable attorney fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against the defaulting unit owner in said decree. Any balance of proceeds after

satisfaction of such charges and any unpaid assessments hereunder of any liens, shall be paid to the unit owner. Upon the confirmation of such sale, the purchaser thereof shall thereupon be entitled to a deed to the unit and immediate possession of the unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession and it shall be a condition of any sale, and the decree shall so provide, that the purchaser shall take the interest in the property sold subject to his Master Deed.

All Co-owners are bound to contribute an equal amount toward the expenses of administration and of maintenance, repairs and replacement reserves of the general common elements and, toward any other expenses lawfully assessed under this Master Deed and/or by the Homeowners Association. No owner shall be exempt from contributing toward such expenses by waiver of the use or enjoyment of the common elements, both general and limited, or by abandonment of the unit belonging to him provided, abatement or reduction in an owner's contribution may be granted by the Homeowners Association for a reasonable period of time, during which a unit is uninhabitable as the result of damage or destruction.

Assessment against any unit, with interest, costs and reasonable attorney's fees shall become a lien upon such unit if not paid when due in accordance with applicable law. Each assessment against a unit shall also be the personal obligation of the owner at the time the assessment fell due. Such personal obligation shall not pass to successors in title unless assumed by them, or required by applicable law. As previously indicated, common expenses include expenditures made or liabilities incurred by the Association, together with payments or obligations to reserve accounts. Assessments are collected by the Association on a monthly basis or as described above.

The sums assessed by the Homeowners Association but unpaid for the unit's share of the common expenses constitute a lien on such unit which is prior to all other liens, excepting only (a) liens for taxes and assessments lawfully imposed by a governmental authority against such unit, and (b) any first mortgage on the unit in question. A lien for common expense assessments is not affected by any sale or transfer of a unit, except that a sale or transfer pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for assessments which became payable prior to such sale or transfer. However, any such delinquent assessments which were extinguished pursuant to the foregoing provision may be reallocated and assessed to all of the units as a common expense. Any such sale or transfer pursuant to a foreclosure does not relieve

the purchaser or transferee of a unit from liability for, nor the unit from the lien of, any assessments made thereafter. A lien for common expenses may be enforced by a suit by the Board representing the Homeowners Association in like manner as a mortgage of real property. In any such enforcement action, the unit owner shall be required to pay a reasonable rental for the unit and reasonable attorney's fees incurred by the Homeowners Association, and the Plaintiff in such enforcement action shall be entitled to the appointment of a receiver to collect the same. The Board, acting on behalf of the unit owners, shall have power, to bid in the unit at a court sale, and to acquire and to hold, lease, mortgage, and convey the same. Suit to recover a money judgment for unpaid common expenses of an owner shall be maintainable without lien enforcement or waiving the lien securing the same.

14. ENTRY BY BOARD. The Board or its agents or employees may enter any unit when necessary in connection with any painting, maintenance or reconstruction for which the Board is responsible, or which the Board has the right or duty to do. Such entry shall be made with as little inconvenience to the unit owners as practicable, and any damage caused thereby shall be repaired by the Board at the expense of the maintenance fund. Entry shall only be made at reasonable times and by appointment with the unit owner or occupant, except in those cases involving emergencies.

The Homeowners Association has the right to grant permits, licenses, and easements over the common elements for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance or operation of the project.

15. GRANTEES. Each grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all easements, restrictions, conditions, covenants, reservations, liens and charges and the jurisdiction, rights and powers created or reserved by this Master Deed, and the provisions of the Horizontal Property Act, as at any time amended, and all easements, rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations herein imposed shall be deemed and taken to be covenants running with the unit, and shall bind any persons having at any time any interest or estate in said unit, and shall inure to the benefit of such owner in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance.

16. INCORPORATION OF ASSOCIATION. Developer shall cause the formation of a Tennessee not-for-profit corporation known as "Hickory Bay Towers Homeowners Association, Inc." to act as the Homeowners Association or Council of Co-Owners as defined in the Tennessee Code Annotated, and governing body for all unit owners in administration and operation of the property.

(a) Each unit owner or owners shall be a member of such corporation, which membership shall terminate upon the sale or other disposition of such member of his unit, at which time the new unit owner or owners shall automatically become a member therein.

17. FAILURE TO ENFORCE. No terms, obligations, covenants, conditions, restrictions or provisions imposed hereby or contained herein shall be abrogated or waived by any failure to enforce the same, no matter how many violations or breaches occur.

18. NOTICE. Notices required or permitted to be given to the Homeowners Association, the Board, or any unit owner may be delivered to any officer of the Homeowners Association, Member of the Board, or such unit owner at his unit.

Upon written request to the Homeowners Association, identifying the name and address of the holder, insurer or guarantor and the unit number or address, any mortgage holder, insurer, or guarantor will be entitled to timely written notice of:

a. Any condemnation or casualty loss that affects either a material portion of the project or the unit securing its mortgage.

b. Any 60-day delinquency in the payment of assessments or charges owed by the owner of any unit on which it holds the mortgage.

c. A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Homeowners Association.

d. Any proposed action that requires the consent of a specified percentage of mortgage holders.

19. AMENDMENTS.

(a) Any provisions establishing the percentage interests appurtenant to each unit in the common elements may be allocated when units are completed and any such change shall be made by Developer by amendment to this Master Deed recorded prior to or simultaneously with the filing of the plans of various units and no such change shall require the assent of any purchaser, mortgagee or lienee of any residential unit. If during the construction period for all buildings in Hickory Bay Towers Homeowners Association, Inc., it is found that an error exists

on the part of the draftsman of this instrument or on the part of the engineer, on the Plat recorded simultaneously herewith or added by Addendum or an omission or inadvertant mistake on the part of Developer, an Amendment setting forth the error and correction may be filed by Developer without the consent of any other party thereto and shall become part of this Master Deed. After the construction period, no further change shall be made except by Amendment procedures immediately following.

(b) The provision of this Master Deed (with the exception of the By-Laws), shall be amended, changed or modified by an instrument in writing setting forth such Amendment, change or modification signed and acknowledged by owners of at least 75 per cent of all units and 75 per cent of all mortgagees having bona fide first liens of record against any units.

(c) Any amendment, change or modification shall conform to the provisions of the Horizontal Property Act as amended and shall be effective upon recordation thereof.

20. SEVERABILITY. The invalidity of any restriction hereby imposed or of any provision thereof, or of any part of such restriction or provision, shall not impair or affect in any manner the validity and enforceability of any other provision of this Master Deed, and all of the terms hereof are declared to be severable.

21. CONSTRUCTION. The provisions of this Master Deed shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a first class condominium project.

IN WITNESS WHEREOF, the said Developer has caused this Master Deed to be signed by its duly authorized representative on its behalf; all done at Hendersonville, Tennessee, on the date and year first above written.
