Winchester Wools

Getting started with crochet...I thought about doing a photo shoot of me crocheting, however it's been done already and the best I have found is here

<https://www.wikihow.com/Crochet>

There are many crochet patterns available on the internet however the majority come from the US (and we all know they speak a different English to the UK). Well it is the same with crochet patterns a single crochet on a US pattern would be called a double crochet on a UK pattern.

There are also a lot of patterns from eastern Europe that are published with symbols, so no problem with the language barrier.

To help with the conversion I hope you will find the chart below useful.

US Crochet		Chart Symbols	UK Crochet	
Stitch Name	Abbreviation		Stitch Name	Abbreviation
Chain	ch		Chain	ch
Slip Stitch	ss		Slip Stitch	ss
Single Crochet	sc		Double Crochet	dc
Half Double	hdc		Half treble	htr
Double	dc		Treble	tr
Treble	tr		Double Treble	dtr
Double Treble	dtr		Triple Treble	ttr

Happy Crocheting
