

The Health Care Safety Net: Finding a Medical Home in Metro Atlanta

The *Health Care Safety Net* is a name for health care providers who provide health services to those with Medicaid and those without health insurance. A *Medical Home* is a way to deliver coordinated, team-based, primary health care with the goal of preventing illness and maximizing health.

➔ For questions about or updates to this handout, contact Vicki Karnes, RN, at (740) 807-1054.

Meaning of symbols:

- ⇒ Dental services are provided at health centers marked with .
- ⇒ Clinics that offer family planning and related preventive services for women are marked with  or by search zip code here: <https://opa-fpclinicdb.hhs.gov>
- ⇒ In-person help to enroll in affordable health insurance is available at health centers marked with  or search by zip code here: <https://localhelp.healthcare.gov>.

- **Community Health Centers** are also known as Federally Qualified Health Centers (FQHCs).

Those without health insurance pay a sliding-scale fee based on household income.

These non-profit Health Centers accept PeachCare for Kids, Medicaid, Medicare, and private health insurance.

Many offer dental, vision, laboratory, and mental health services, as well as a discount pharmacy.
