## OUR STORY

Dew Drop Inn was established in 1926 and has always been a family owned business. The building was originally a flour mill before becoming a restaurant. The Dew Drop Inn has been a landmark for the town and a local watering hole for decades. In 2015 the building and the business was revamped to create what you see today. It is still a family owned business and it has been a labor of love and we hope you enjoy it!
