Call off the PIZZA EMERGENCY and hold the Pepperoni!

Thanks to generous club member Joe-Ming, the prior pizza pie problem was promptly postponed for now.

Any way you slice it, this is good news for all of us coming to tomorrow night's meeting, but ... it could happen again if we don't get someone(s) to step up and join the team that helps get our monthly meetings together.

Hospitality/logistics help is desperately needed. Not a lot of work, just one or two people willing to help us put on great meetings each month.

Please reach out to me at president.ccw@gmail.com if you might be able to help. Ask about our generous compensation program, insurance, health benefits, etc.

Hey--all we said was you could ask. We didn't say what the answer would be 😎

Scotty out!
