

NEWS BLAST

CENTRAL COAST WRITERS

If the above poster (destined to be a collector's item!) had just a bit more room, the complete line would read, "I want you *to answer this super short survey!*"

I get it. Everybody wants you to stay on the line and "take our short survey at the end of the call," but if you can just give us about 52 seconds of your time, we'll let **you** tell **us** if you like our Tuesday night meetings **OR** if you want us to change them to another day... another time... a remote island. The sky's the limit.

We're a club of approximately 160 members, yet we only see 25-30 of you most months. Maybe there's nothing we can do to change that, but we'll never know unless we ask.

This is us asking.

Please...

Click on the link below and tell us if you're happy meeting on Tuesday nights or if you'd be more likely to make the meetings if they were on some other day or time.

See this red button? We call it the "link," so grab that mouse and click away.

Did you do it? Not yet? What're you waiting for--a personal invitation? What do you think this is?

Act now (or by Saturday if you're *really* busy). Smash that button (as the cool kids like to say) and make your country proud. The CCW will owe you our undying gratitude.

Thanks for listening.
