A message from the President...

I am beyond honored to have served as the 2025/2026 Niles Service League President. Being part of this incredible group is truly such a blessing, and I'm so grateful to work alongside some of the most generous, hardworking, and fun people around.

One thing I've quickly learned is that nothing just magically happens — although sometimes our volunteers make it look that way! From planning events to selling tickets, decorating tables, gathering donations, and somehow keeping everything running smoothly, our amazing volunteers are the heart of this organization. Their dedication, energy, and willingness to jump in wherever needed are what make the Niles Service League so special.

We've also been incredibly fortunate to receive so much support from our sponsors and many generous company donations. The kindness shown by our community continues to amaze me, and we simply could not do what we do without that support.

What I love most about this organization is knowing that every single dollar we raise goes right back into helping the kids in our community. That's the real reason behind every meeting, every fundraiser, every raffle basket, and yes... every late-night group text. It's all worth it.

I feel so lucky to be part of a group that leads with heart, laughter, and a genuine passion for giving back. I cannot wait to see all the amazing things we accomplish in the following years!

We ♥ our Volunteers
