

League Lines

2022 - 2023

A message from the president...

"Serving as the 2022 - 2023 Niles Service League president has been a pleasure. Not only did we have a great group of volunteers who gave their time, energy, and skills to help the children within our surrounding communities, but we also had amazing support from the businesses within our communities. Without their donations none of our efforts would be possible. Thank you from the former president and I am excited to see what the next year brings."

-Hannah Horst
