2024 - 2025

A message from the President...

I was honored to be elected as president of Niles Service League for two years in a row. I can't express how truly grateful I am for this experience. Being part of this amazing group of women and seeing the impact we've made together in our community has been such a gift.

I'm especially thankful for our board members who work so hard behind the scenes to keep things running, our volunteers who give their time and energy with so much heart, and the many local businesses who have stepped up to support our mission. It really does take all of us, and I've loved watching how everyone's efforts come together to make a difference.

While I'm reflecting with gratitude, I'm also really excited for what's ahead. Our newly elected board is full of energy, fresh ideas, and a passion for continuing the growth we've built together. I know they'll do incredible things to keep serving our community in meaningful ways.

This has been such a rewarding chapter in my life, and I'm so proud of what we've accomplished as a team. Thank you for letting me be a part of it.
