### Upcoming Events

#### *April 25, 2021- Inaugural Love & Light Service*

Every sunrise should be a reminder of the love and light that is forever with us from our loved ones on the other side. Join us just South of the Jacksonville Beach Pier on April 25, 2021 6:30am for our Sunrise Service. Inspirational stones will be given to the survivors to toss in to the ocean, signifying the release of darkness and grief while welcoming the love and light from our loved ones in Heaven.
