Day

June 2021

### Rise Up!!!!

Our **Rise Up Youth Sports Programs** is designed to make sure all children have the opportunity to play in team sports. If A family can not afford the fees associated to enroll a child we will get a sponsor to cover the fees involved. All families are screened for financial criteria.

### Piano Lessons

Piano lessons are taught at Gospeler Ministries Monday and Wednesday from 3-5. There will be a limit of 20 children in this program. Days and times will be added as children enroll. Children must be at least 5 years old to take part. The cost is \$25 monthly for each child and covers 1 30 minute lesson weekly. The fees associated are considered a donation and will be used by Compassionate Warriors, Inc to further the Rise Up Youth Program.

### At Risk Children Services

Part of the Rise Up Program is designed to help the families dealing with children that are at risk. Services are available by referral to an Agency equipped with full wrap around services for these children. Community Outreach is being done to reach these children and families. For more information email [tinagray@comcast.net](mailto:tinagray@comcast.net) or call (904) 773-4550 and speak with Tina Gray directly.
