

APRIL 2024

HELLO PORT RESIDENTS,

By now you should have received our Spring Letter which included information about site selection and our recycling flyer. Just a reminder that the dumpsters are to be used for your trash during your stay at the Port. Please make sure to use the correct dumpster.

If you did not mail your pet form and required insurance information with your license agreement in October, you must submit that on Site Selection Day, April 13th. It can be given to any Board Member.

Thank you to the many volunteers who showed up in November for the Water-Shut-Off to blow out the lines, remove signs and get the Port ready for the Off-Season.

A Special Thank You to George Carter, who did the security checks and kept our Little Slice Of Heaven secure.

The Water is on, although we were delayed 1 day due to the weather and some plumbing issues from the Pedestal project. Thank you, George Carter, Diane Carter, Bob Jensen, Nancy Jensen for getting the water turned on and making sure all of the sites in the Port are operating properly.

Site Selection is upon us. We are excited to welcome 9 new residents to Port Delmarva. I am looking forward to an interesting site selection day, with this many open sites. All forms, such as Proxies, Liability Waivers, Maps, Pet Forms, etc. will be available in the hall.

Here are some important dates and times:

SATURDAY APRIL 13, 2023

9am – Resident Meeting

10am – Clean up begins. We will meet at the hall

1pm – Please bring any proxies that you have to the hall 2pm – Site Selection

IF YOU ARE MOVING, YOU MUST FILL OUT THE LIABILITY WAIVER FOR COX RV AND THE PORT, ON SITE SELECTION DAY. GIVE THE WAIVERS TO A BOARD MEMBER.

To insure we have a smooth moving day, your trailer must be in "HOOK 'N TOW" condition on April 20th at 10AM.

That means, inflate your tires. Remove the blocks from your trailer. Pull in your slides. Please use the checklist that was included in the spring letter. Clean out your shed. YOU OR YOUR DESIGNATED PROXY MUST BE ON SITE WHEN YOUR TRAILER IS MOVED!!

SATURDAY APRIL 20, 2023

10am – Trailer Moving Day

I am looking forward to seeing everyone at the Port. Have a fantastic, safe and relaxing season!

Sincerely,
Jens Maly President, PDMV

HOW TO DEWINTERIZE YOUR RV IN 10 BASIC STEPS

1. Inspect Your RV Exterior, Including The Roof and Tires
2. Recharge, Inspect and Install Batteries, or Replace if Necessary
3. Drain Antifreeze from Your Plumbing System
4. Sanitize and Flush Your Fresh Water System
5. Check for Water Leaks In Your Plumbing System
6. Test Safety Devices and Alarms
7. Test RV Systems and Appliances
8. Have Your Propane System Inspected and Refilled
9. Check Engines and Generators
10. Clean Your RV Inside and Out; Wax the Rig

Okay, that may look like a long list, but if you take your time and tackle each step with care, you'll get through the RV dewinterizing process in short order. It will be worth your time to ensure trouble-free travel and camping adventures all year long.

6 RV SPRING CLEANING TIPS

In addition to your essential RV dewinterizing tasks, the start of the camping season is the perfect time for some RV spring cleaning. Here are a few RV cleaning tips to get your camper clean and sparkling before you head out for your first adventure of the season:

Wash the exterior: Hose down and wash the exterior of your RV to make it shine for the start of the season. When washing your RV, always start at the top and work your way down using a cleaner that will not harm your RV paneling.

Check for critters: Check your RV for any bugs, spiders or mice that may have found their way into your camper during the winter. Look in all the nooks and crannies, including your water heater, refrigerator drawers and cabinets.

Clean fans and air conditioners: To keep fresh air flowing all summer long, clean your fan blades and screens with warm soapy water. For a thorough clean, take the fan apart to wash each component separately and clean the fan housing using an all-purpose cleaning spray and cloth.

Wash windows and screens: Remove your RV's window screens and clean them gently using soapy water. Allow the screens to air dry or wipe them with a clean towel. Polish the windows with glass cleaner and then replace the screens.

Change linens and towels: Replace any linens that you removed for storage and change all bedding, pillows, blankets, towels and washcloths.

Vacuum: Vacuum your RV floors and inside the cabinets to remove any dust that settled during the winter.

By following these RV spring cleaning tips, your RV will be ready for travel in no time!

Fireworks Red, white, and 'ooh'

The City of Rehoboth Beach is set to put the “ooh” and “ahh” into the 2024 Independence Day holiday with a fireworks display to launch around 9:30 pm Saturday, July 6. The display is visible along Rehoboth’s mile-plus beach and boardwalk.

Alabama White Sauce

Ingredients

- ¾ cup Mayonnaise
- ⅓ cup Apple Cider Vinegar
- ¼ cup Lemon Juice
- ¼ cup Apple Juice
- 1 tablespoon Powdered Garlic
- 1 tablespoon Prepared Horseradish (from a jar, either in vinegar or creamy)
- 1 tablespoon Black Pepper (coarsely ground)
- 1 teaspoon Mustard Powder
- ¼ teaspoon Morton Coarse Kosher Salt
- ½ teaspoon Cayenne Pepper (finely ground)

Directions

1. Prep. Whisk together all the sauce ingredients in a large bowl and refrigerate in a jar for at least 2 hours, if possible, to allow the flavors to meld.

4 Ways to Use Alabama White Sauce

Here are some ways to enjoy Alabama white sauce, Alabama-style and beyond:

- 1.1. Basting proteins: Toward the end of the cooking process, brush the sauce onto meats—like chicken thighs, brisket, or pulled pork. Basting meat in Alabama white BBQ sauce keeps it moist as it cooks. Alternatively, marinate chicken in the sauce for flavor and tenderness. Generously coat the meat and let it soak in the marinade overnight before grilling, roasting, or smoking.
- 2.2. Dipping appetizers: Use Alabama white sauce as a dipping sauce for chicken wings, tater tots, or any finger food.
- 3.3. Dressing salads and coleslaw: Try Alabama white sauce as a salad dressing for Caesar salad or in place of other creamy dressings. Instead of mayonnaise, add Alabama white sauce to your favorite coleslaw recipe. The cooling cabbage and slivered vegetables bring a refreshing texture to the rich sauce.
- 4.4. Serving Southern comfort food: Drizzle Alabama white sauce over Southern comfort food staples, like chicken and biscuits or chicken and waffles.

2024 LICENSE / STAMP FEES

LICENSE CATEGORY	RESIDENT	NON-RESIDENT
General Fishing License	\$8.50	\$20.00
7-day Tourist Fishing	NA	\$12.50
*Boat Fishing License 20 ft or less (optional)	\$40.00	\$40.00
*Boat Fishing License more than 20 ft (optional)	\$50.00	\$50.00
Head Boat License	\$300.00	\$600.00
Charter Boat License	\$150.00	\$300.00
Guide/Fishing	\$100.00	\$300.00
TROUT STAMP	RESIDENT	NON-RESIDENT
Young Angler (12-15)	\$2.10	\$6.20
Adult (16-64)	\$4.20	

* Boat Fishing License - The optional boat fishing license for a recreational angler covers the holder of the license, and all occupants in the boat. A resident who buys a boat fishing license also will be given a regular fishing license to use anywhere in the state. Non-resident holders of boat fishing licenses will need to purchase a non-resident fishing license to fish elsewhere in Delaware when not aboard their vessels. A Delaware FIN is required of all anglers age 16 years or older on the vessel.

Charter/Head Boat Licenses - Both the charter and head boat fishing licenses will cover the license holder as well as all persons fishing from the licensed vessel. Individuals fishing only from a charter boat or head boat do not need to have a separate FIN number. Federal law requires all captains to maintain a log aboard the vessel for federal survey purposes.

Non-resident - Any non-resident who is 16 years of age or older except persons covered by one of the exemptions is required to have a license to fish, clam, or crab in the waters of the State of Delaware. Non-residents may purchase a 7-consecutive day tourist fishing license.

WHAT'S NEW FOR 2024

- New state records for Muskie, Tautog, King Mackerel, and Blue Catfish were established in 2023. See page 28 for details.
- In 2023, three individuals met the qualifications for "Elite" angler and are named on page 24. For more information on how to qualify, see page 24. Give it a shot in 2024.
- Striped Bass, American Shad and Shortfin Mako Shark season, size, and daily limit regulation changes went into effect in 2023, see page 12.
- New regulations will likely be necessary for several tidal water species in 2024. The electronic version of Delaware's fishing guide, available at www.fw.delaware.gov, will be updated to reflect such regulatory changes as they occur.
- Anglers and boaters should be aware that shellfish aquaculture leasing is underway in Delaware's Inland Bays. For more information on lease marking, see page 16.

BEFORE YOU FISH

BEFORE YOU GO FISHING, CRABBING, OR CLAMMING IN DELAWARE YOU MUST:

- Purchase a 2024 Delaware fishing license and keep it with you while fishing (page 5).
- Get a free 2024 FIN number (automatically generated with the purchase of an individual license) and keep it with you while fishing (page 5).
- If fishing for freshwater trout get a 2024 trout stamp and affix it to your license (page 8).

WHILE FISHING, CRABBING, OR CLAMMING IN DELAWARE, YOU MUST:

- Abide by size and possession limits.
- Be aware of area and seasonal closures.

PLEASE BE AWARE THAT:

- Delaware does not have fishing license reciprocity with other states. You must have a Delaware fishing license to fish, crab or clam in Delaware.
- Delaware does not recognize Federal FIN numbers or FIN numbers from other states. You must have a free Delaware FIN (page 5).
- You must have a New Jersey FIN number if you fish in New Jersey waters of Delaware Bay.

2024 FREE FISHING DAYS!

In celebration of National Fishing and Boating Week, June 1-9, 2024, the Division has designated June 1 and 2 as free fishing days when anyone may fish in Delaware's waters without a fishing license. Anglers age 16 and older must still obtain a free FIN number to participate in the free fishing days.

FISH FACTS

Hey, having trouble identifying your catch? Want to know a good bait to use to catch a certain species? Need to find out what the current state record is for a species? Check out our "Fish Facts" page with loads of helpful information on over 180 species of fish and shellfish you can catch in Delaware waters. Just type fishspecies.dnrec.delaware.gov in any browser and click on a category. Many folks keep it bookmarked on their smartphone for quick access. Enjoy!
