## **RE: Liability Insurance Requirements**

Dear Licensee:

Port Delmarva, Inc. is now requiring residents to maintain, at a minimum, liability insurance on the RV trailer, or Park Models on the residents' site. Proof of such insurance must be provided to Port Delmarva each year at license renewal. Renewal of the license is subject to proof of this insurance. For current licensees, we ask you to secure liability insurance if you do not already have it.

This new requirement will start with the submission of your 2025 license renewal.

Please contact us if you have any questions.

Very truly yours,

Port Delmarva, Inc.  
By. Jens J. Maly, President
