

Every Day's a Pleasure

September 2022

Hello Port Residents,

I hope this Newsletter finds you well.

I want to start off with a BIG thank you to Kim C and Norb F for all of their years of dedication to the Board and the Port. They have both spent countless hours working hard to make sure that operations ran smoothly, and the Port was well maintained.

Kim C will continue to assist the Board as the Port Liaison and can be reached at portliaison@gmail.com, if you have any questions or concerns. Correspondences received from this address will anonymously be brought to the Board's attention. For general messages or inquiries, please use info@portdelmarva.com.

Norb F will also continue to help the board with meter readings and many other things. He is truly a vital part to the operation of the Port.

Thanks to our founders we have a beautiful place here at Port Delmarva which is a testament to our mission statement:

Port Delmarva, Inc. is a campground that was established to be a place where one could park a trailer in a clean orderly location at a reasonable price. A place where family and friends come together to enjoy the Delaware seashore. By the use of volunteerism Port DelMarVa's Mission is to bring the community together and provide an affordable, fun, peaceful, and secure place for all to enjoy.

Here at the Port Delmarva I have many friends, which I consider family. I look forward to building new friendships in our community which continues to be an affordable, fun, peaceful and secure place that we all enjoy. Volunteerism continues to be a challenge, however I look forward to the future where our residents here at Port Delmarva, get involved to preserve our little slice of haven.

Your Board for the 2022-2023 year will be as follows:

President – Jens

1st Vice President – Bill

Treasurer – Kevin

Secretary – Stephanie

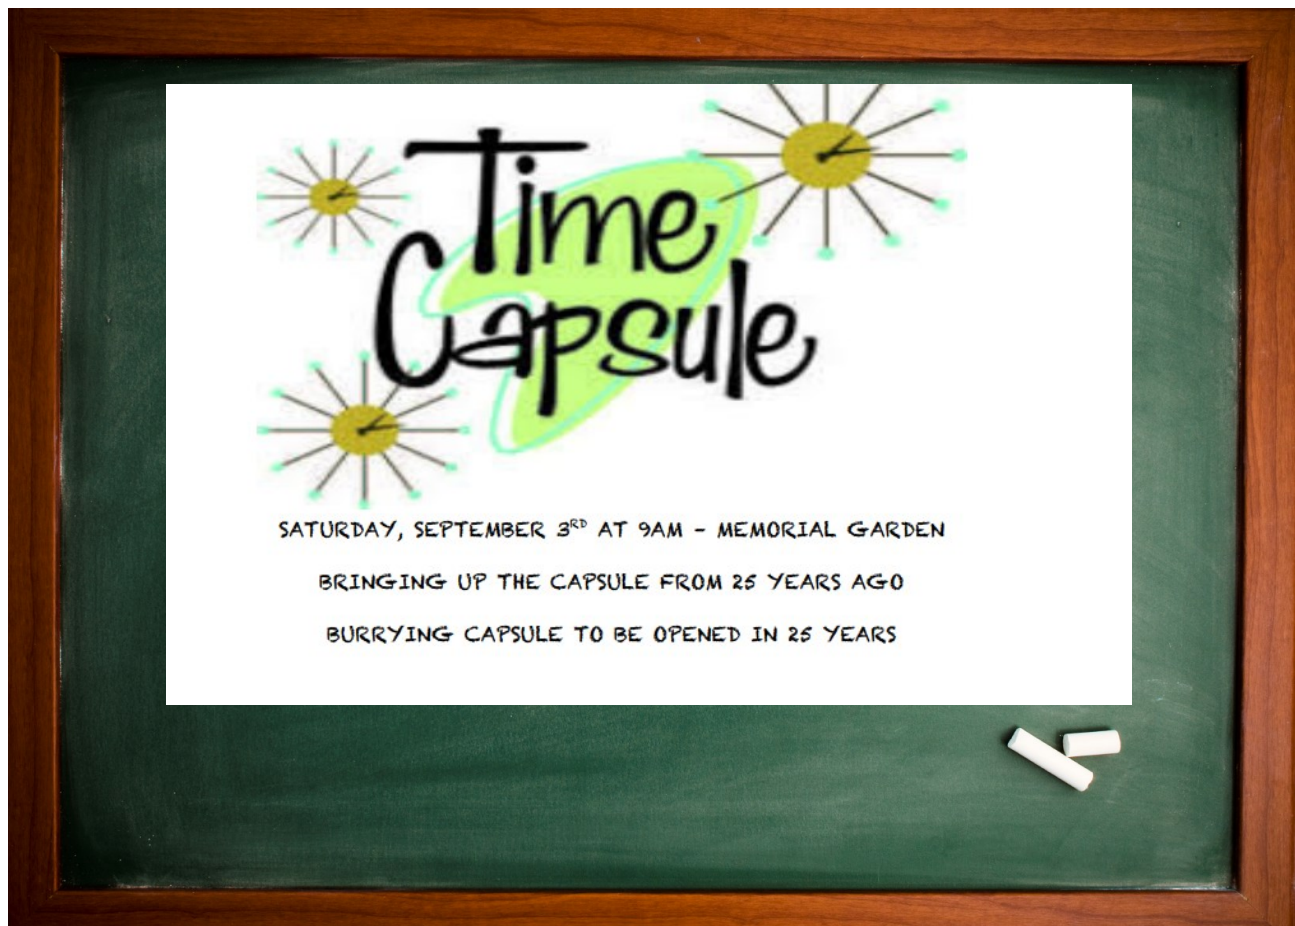

Director - Randy

I look forward to serving you as the President. Please feel free to contact me should you have questions, concerns or recommendations.

Respectfully,

Jens
President
Port Delmarva, Inc.

Ice Cream Social

7:30pm
Card Bingo following the
ice cream social

It is bittersweet to be writing about the death of one of the most wonderful ladies we have had the blessing of knowing and calling a dear friend. Mary Lou Derickson-Boyce was 50% of a Port Delmarva Dynamic Duo. She and Bill worked tirelessly for the continued maintenance, betterment, and hospitable enjoyment of all things PORT!

Bill as board member and President and MaryLou as the consummate organizer, decorator, chief cook, and bottle washer! MaryLou enjoyed what she did at the Port. Positive, caring, giving and fun are just a few of the words that describe our fabulous friend.

We are sorry that we will no longer see her or have conversations with her, but we rejoice in knowing that she has reunited with Bill. There is no doubt in our minds that there was a festive Heavenly reunion upon her entry into Paradise. Bill and her brother Jim Derickson most likely got the okay to open the gates for her and welcomed her Home to the many family and friends who were joyfully gathered together to celebrate her arrival!

Rejoice in Paradise dear MaryLou!

You will be missed but never forgotten!

Sincere condolences to the family,
Randy & Sue

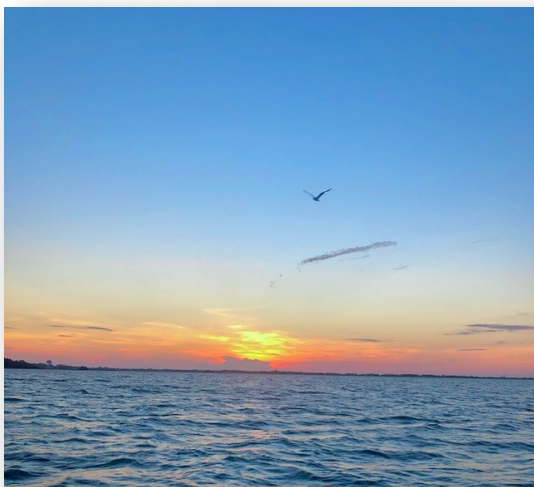

Karen P. & her life long
best friends sure know how to
beat the summer heat!

Thank you Ethan for stopping &
setting up a fallen speed sign. Ethan
hopes everyone is always driving 10
MPH & watching for children biking
& playing in the Port.

Tri-Tip with Chimichurri

The tri-tip is a tender, triangular cut of beef tucked near the sirloin. There are only two per steer, so if your butcher is out, go with sirloin.

Ingredients

6 Servings

1 tablespoon sesame seeds

1 tablespoon smoked paprika

2 tablespoons plus ½ cup olive oil

2 teaspoons kosher salt, plus more

2 teaspoons freshly ground black pepper, plus more

2 pounds tri-tip steak or two 1-pound sirloin steaks

2 garlic cloves, finely grated

2 cups finely chopped parsley

½ cup finely chopped cilantro

¼ cup red wine vinegar

1 tablespoon agave nectar

Preparation

Step 1

Mix sesame seeds, paprika, 2 Tbsp. oil, 2 tsp. salt, and 2 tsp. pepper in a small bowl to combine. Rub all over steak and let sit at room temperature 30 minutes.

Step 2

Meanwhile, prepare a grill for medium-high, indirect heat (for a charcoal grill, bank coals on one side of grill; for a gas grill, leave one or two burners off). Place steak over indirect heat, cover grill, and grill, turning once, until an instant-read thermometer inserted into the thickest part of steak registers 115°, 20–30 minutes. Move steak to direct heat and grill until lightly charred, about 2 minutes per side, or until an instant-read thermometer registers 120° for medium-rare (temperature will continue to rise off heat). Transfer to a cutting board and let rest 10 minutes before slicing against the grain.

Step 3

While steak is resting, combine garlic, parsley, cilantro, vinegar, agave nectar, and remaining ½ cup oil; season with salt and pepper. Serve steak with chimichurri

Seashell Mason Jar

Beach Mason Jar

Supplies:

- **Mason jar**
- **Americana Decou-Page**
- Broken seashells or faux rock vase filler
- Brush
- Twine
- **Flameless tea light candles**
- painters tape (optional)

DIY Seashell Mason Jar

To make the jars apply a generous amount of decoupage glue on the mason jar, working in sections.

Allow glue to fully dry before turning to another section or the rocks may slide off. It takes about 20-30 minutes for each section to dry. Another tip is to make sure you have a single layer of the shells so that they adhere to the jar well.

Once the mason jars are dry, tie twine around the mouth of the jar and add a tea light inside.
