

*Questa notte sarà dura
Buia da paura
Magia oscura
Minacciosa un'ombra
La tua strada ingombra
Se tranquillo vuoi dormire
La tua finestra devi abbellire
Mettí la zucca stregata
E la magia oscura è annullata
Se accendí la candela
Del fantasma spegní la lamentela
Niente incubí e sogní bruttí
I fantasmi farabuttí
Scapperanno lontaní
Dalle case degli umani*
