Orsetto BO impara a contare

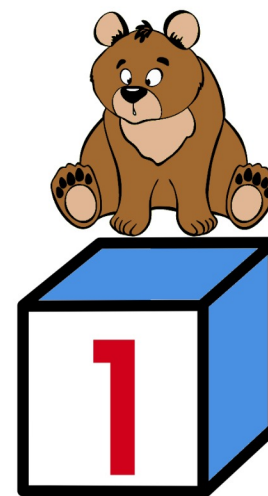

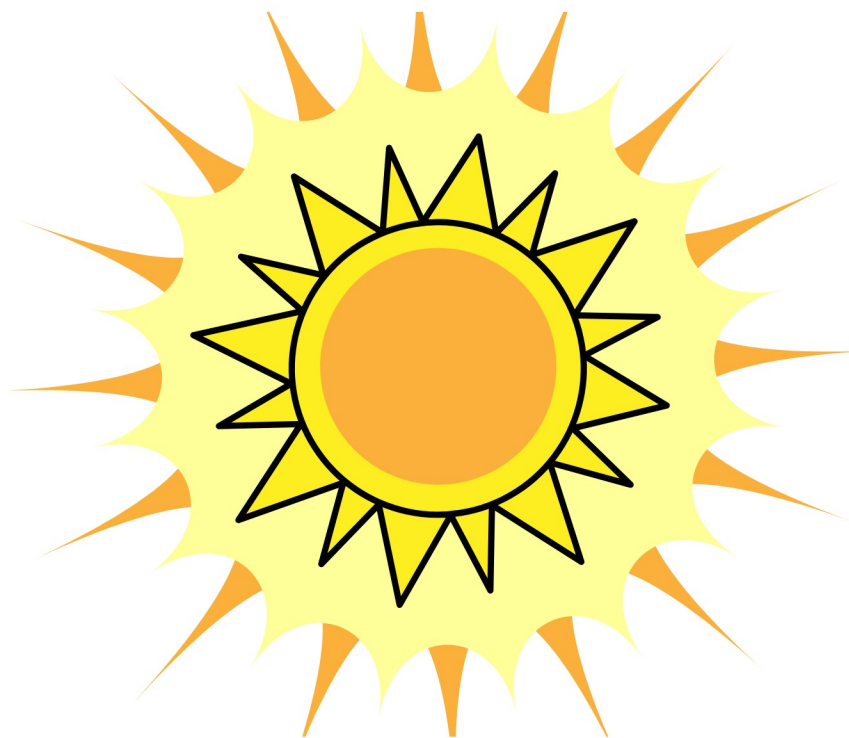

By Nonna Giusi

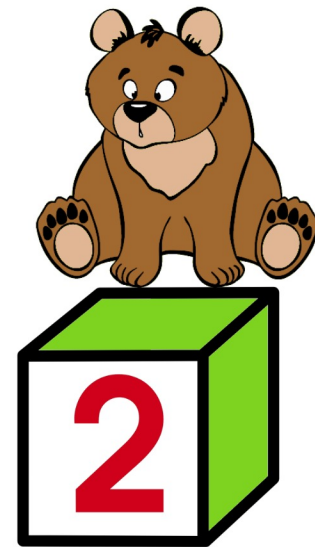

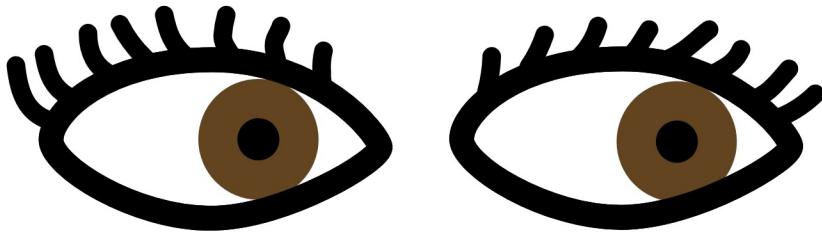

1 è il nostro grande mondo

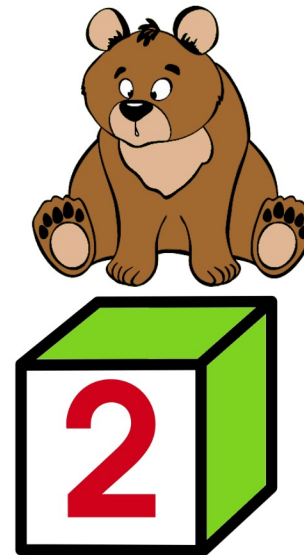

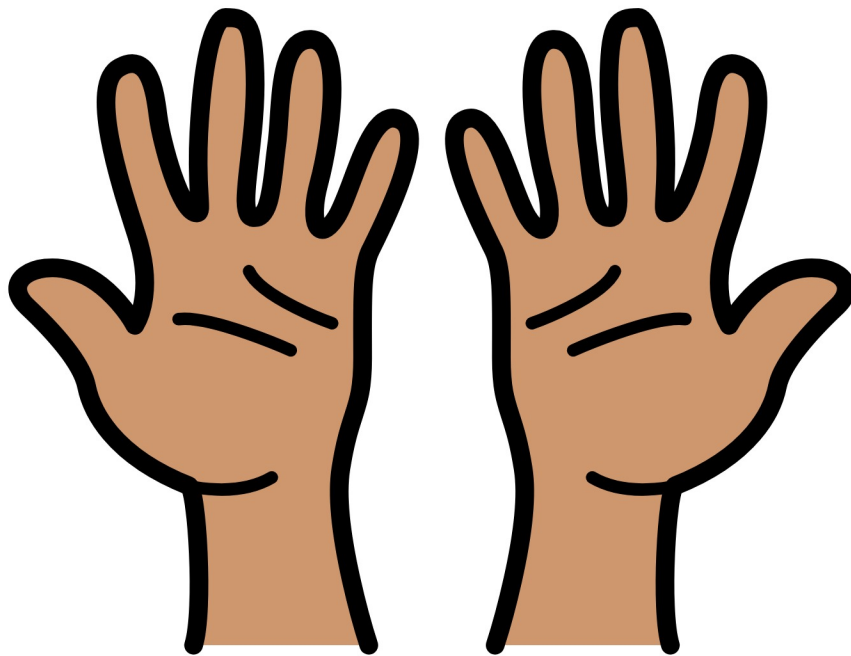

1 è il nostro sole

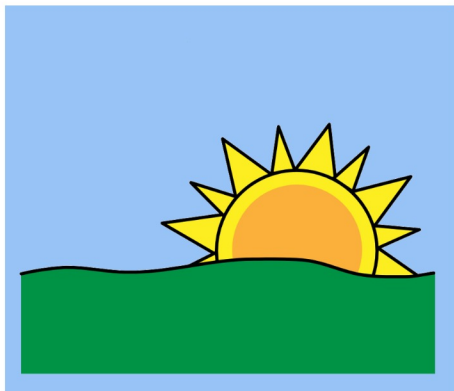

2 sono i nostri occhi

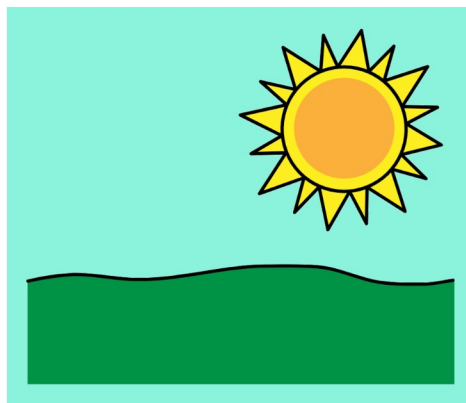

2 sono le nostre mani

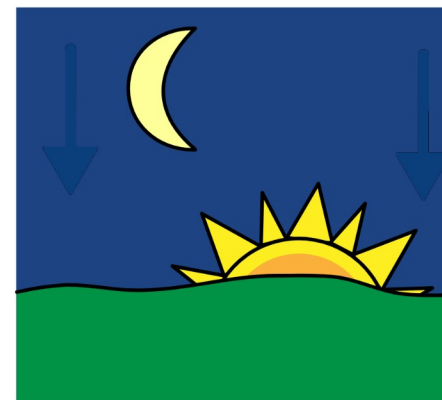

3 sono le parti della giornata

Al mattino il sole fa capolino

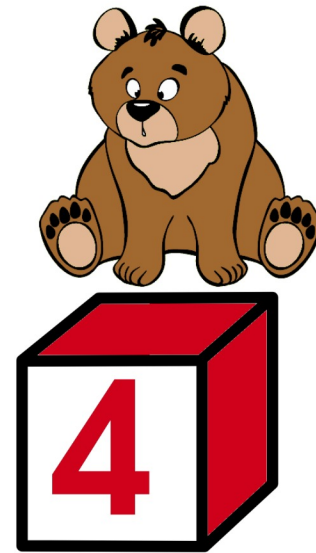

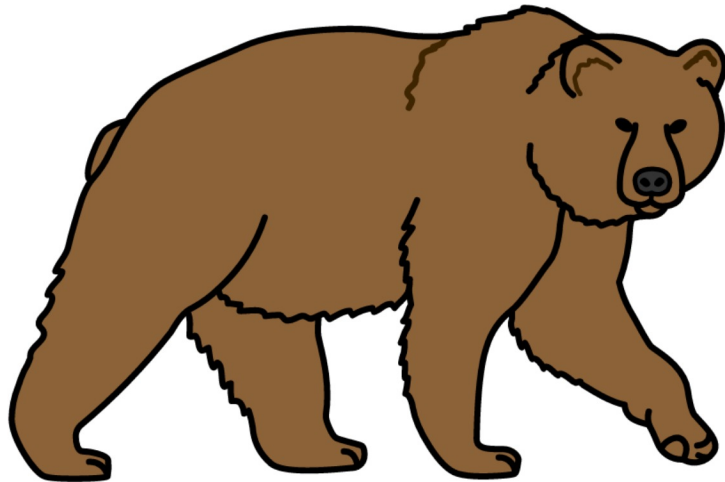

Al pomeriggio
vado a passeggio

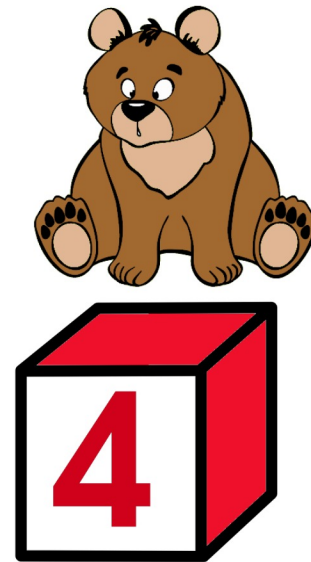

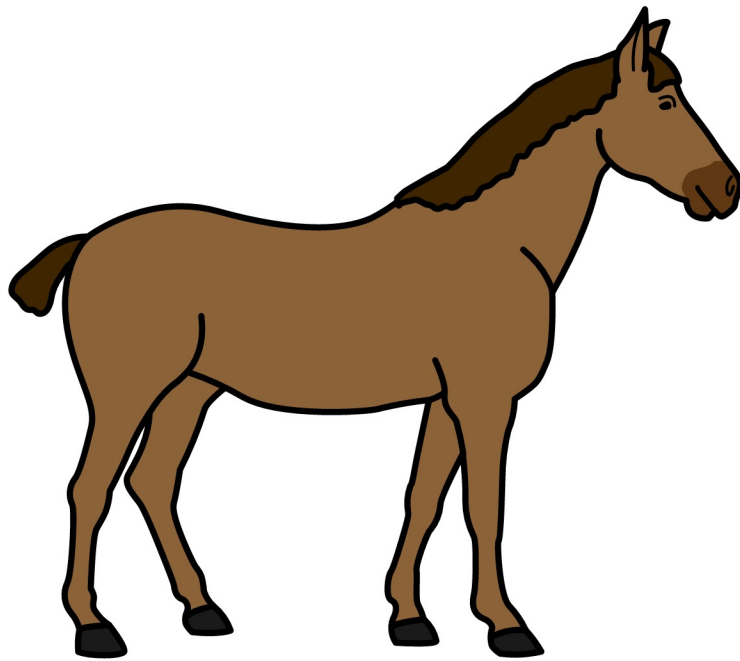

La sera il sole si nasconde
per farci riposare

4 sono le zampe dell'Orso

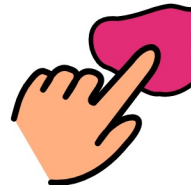

4 sono le zampe del cavallo

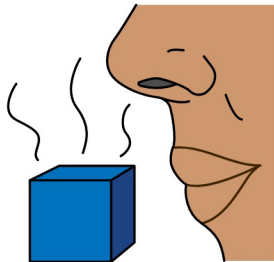

5 sono i sensi per conoscere

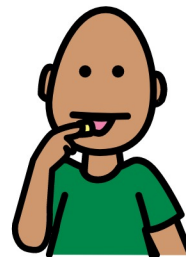

La vista per guardare

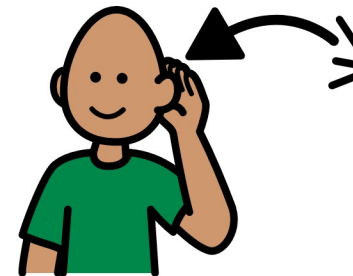

Il tatto per toccare le cose

L'olfatto per sentire gli odori

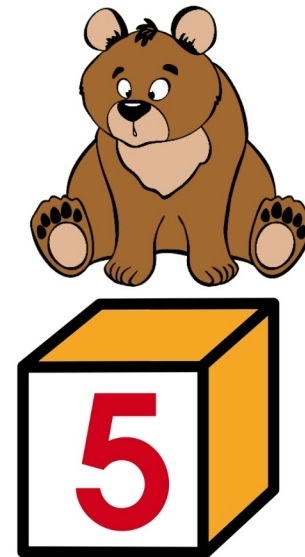

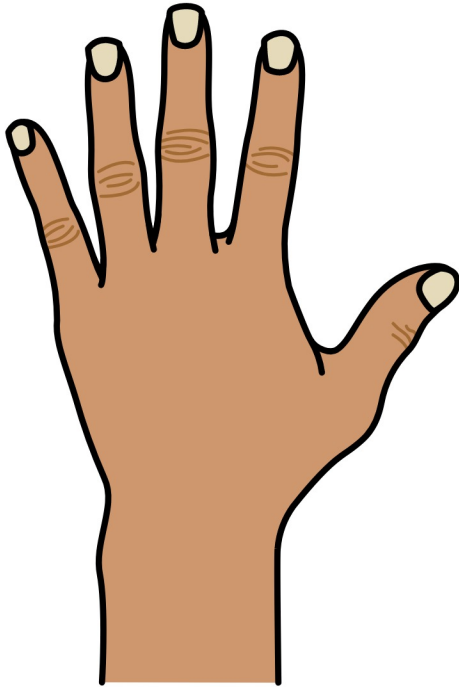

Il gusto per sentire i sapori

L'udito per sentire i rumori

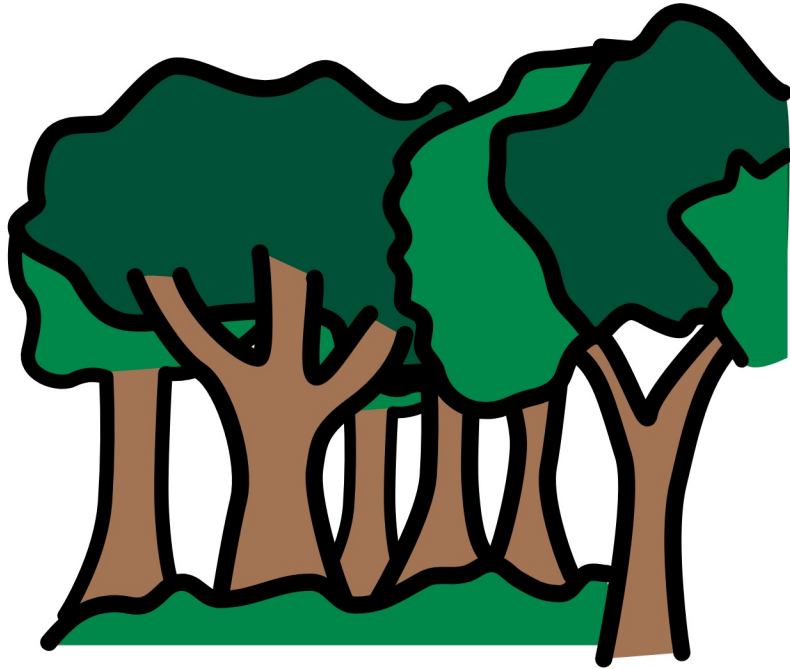

5 sono le dita della mano

Tanti sono i bambini del mondo

Tanti sono gli alberi del bosco

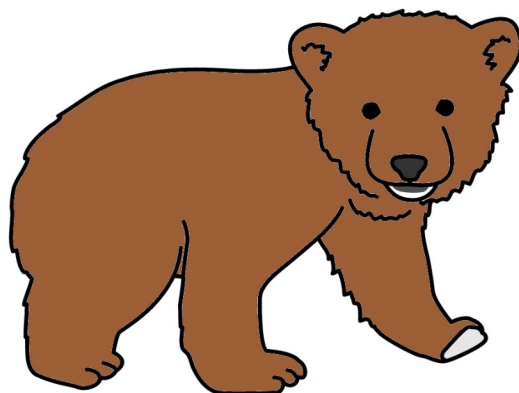

Tante sono le stelle del cielo

Tante cose conosce
Orsetto **BO**
