Serious about growing your business?

So are we... We're North and we've been helping merchants make their entrepreneurial dreams a reality since 1992. In fact, we process more than \$100 billion in transactions every year for 100,000s of satisfied merchants. Now, it's your turn to see what we can do for you.

Why it pays to go North.

We offer next-generation technology for every business type, including: contactless countertop terminals, tablets, mobile solutions, high-end POS terminals, ecommerce solutions, and more.

- ✓ Highly competitive pricing including the lowest possible rates.
- ✓ 24/7, live customer care and technical support.
- ✓ A wholly owned, in-house processor for completely seamless end-to-end transactions.
- ✓ Risk-free service agreements with no startup costs and no hidden or cancellation fees.
- ✓ Robust reporting tools and simplified customer, employee, inventory, and chargeback management.
- ✓ Unrivaled data security including the very latest in encryption and tokenization.

Take charge of your future. Go North.

At North, helping you grow your business is our business. Whatever payment technology you need — from credit card processing to the latest analytics-based data — we've got you covered. All powered by Electronic Payment Exchange, our safe and secure in-house processor, and supported by live customer care and technical support that are here for you day or night.
