

WILLOW BANKS HOLIDAY CLUB DATA COLLECTION FORM

In order to improve the way in which we communicate with parents and carers, we have produced a single form enabling us to gather the data necessary to communicate with you effectively for the duration of your child's time at Willow Banks Forest School.

Please ensure the contact details and other information regarding your child is kept up to date. If you change your details at any time, please let the school know as soon as possible.

Data Protection - Willow Banks Forest School is the data controller of the personal information you provide to us and holds the legal right to collect and use personal data relating to students and their families. We may also receive information regarding them from their previous school, Local Authority and/or the DfE.

We are required to inform pupils and their families about how their personal data may be collected and used and the **privacy notice** can be found in full on the school website (www.willowbanksforestschool.com) under Data Protection or via a paper copy available on request.

Keeping in touch

There are lots of things we tell you about throughout the course of the year, most of which would be better served through email and text rather than you waiting for a letter or needing to be available to answer a telephone call.

The school will communicate with you via text message or email. The number from which text messages will be sent is **07399998388**, which you may wish to save to your phone for future reference. You can text this number to advise us if your son/daughter is going to be absent from school. However, if you would like to speak to someone about your son/daughter, you will need to ring the mobile number and we will get back to you as soon as possible. Emails will be sent from willowbanksfs@gmail.com and you may wish to add this to your contacts or safe senders list.

The school will use the email address and mobile number held in our database for the first point of contact. If you are not certain that we have your correct details or you need to update them, please contact the school on 07399998388 or by email willowbanksfs@gmail.com. Alternatively, you can request a new data collection form to update your details via post or email.

Payments

Once your child has been admitted to forest school, the staff will generate a personal invoice, we will provide you with the details of the bank account that is able to accept payments online for school sessions and other miscellaneous items. Alternatively, if you do not wish to complete an online transaction, you can pay by cheque or cash by visiting the school in person.

Ethnic background is not the same as nationality or country of birth. The Information Commissioner recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Students aged 16 or over can make this decision for themselves.

FIRST LANGUAGE: ***I do not wish a first language category to be recorded -----***

First language (Native Language/Mother Tongue) is the language to which a student was first exposed in their early childhood and which they continue to be exposed to at home or in the community. It is not a question of how well they speak English. A first language other than English should be recorded where a child was exposed to the language during early development and continues to be exposed to this language in the home or community.
