NEXT LEVEL RESEARCH - IIE Innovation | Incubation | Entrepreneurship

www.iimp.in | E: msme@iimp.in

NEED | SCOPE | LIMITATION | SOLUTION

Every Indian die with Hundreds of ideas, so mere idea is having No use

Almost every successful START-UP is based on Social Innovation/ Society

Commercially viable Social Innovation leads to Successful & Sustainable START-UP

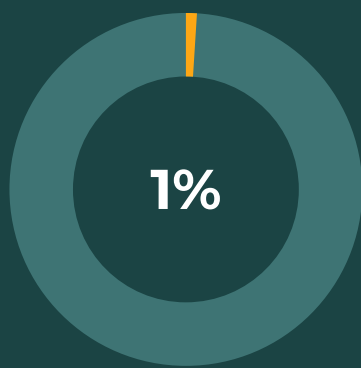

STEP-WISE % SIGNIFICANCE & TAKE AWAY FOR NEXT-LEVEL RESEARCH

NEED | SCOPE | LIMITATION | SOLUTION

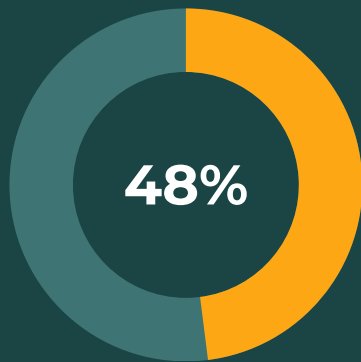

**RESEARCH
FDP**

START-UP ENTREPRENEURSHIP THRU PATENT

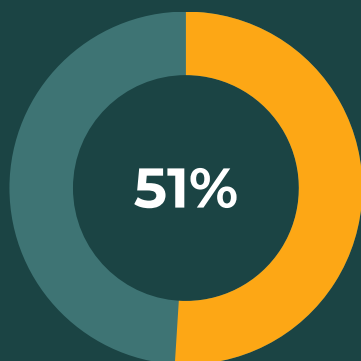

#1 Patent Filing

Indian UTILITY Patent Filing & Publication is just a beginning

#2 Patent Search/ Enhancement & Grant

Patent Novelty Search followed by Patentability Enhancement assure Grant of the Patent (to acquire the ownership to Commercialize it)

#3 Commercially viable Patent

Only Commercially viable Patent can lead to successful START-UP

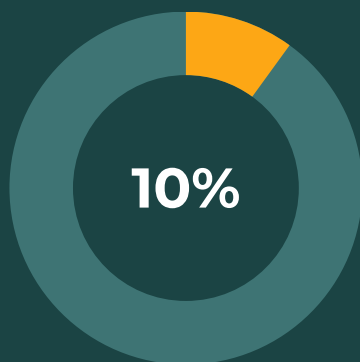

STEP-WISE % SIGNIFICANCE & TAKE AWAY FOR NEXT-LEVEL RESEARCH

NEED | SCOPE | LIMITATION | SOLUTION

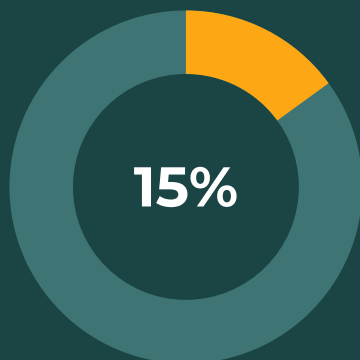

**RESEARCH
FDP**

INCUBATION CENTER & ENTREPRENEURSHIP

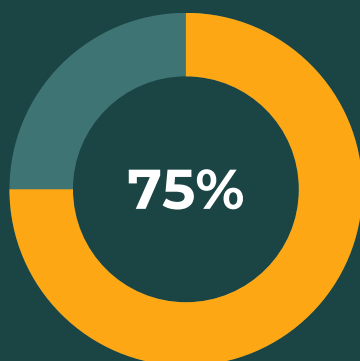

#1 Incubation Cell at Campus

Innovation Cell and Incubation Cell are just mere formalities and leads to nothing

#2 Incubation Center by Industry (MoU)

Incubation Center established by executing MoU with Industry offers the Platform for Entrepreneurship / START-UP

#3 Active Involvement of Experienced Industry Mentor

Experienced Industry Mentor can lead to several Successful & Sustainable START-UPS under Section 8 NPO Company & even Generate SEED Funds/ Revenue
