

Westfest RV Park Rules and Policies

Early Arrivals:

We encourage campers to arrive up to 1 week early if they choose at no charge. This reduces congestion and traffic leading up to Friday before labor day weekend. If a camper requires electricity at their site before Friday, a \$20 per day fee must be added on to the reservation prior to the electric being turned on early to their assigned site.

Parking:

Each campsite will receive one parking sticker that will allow you to park one vehicle at the designated parking area adjacent to your assigned camping site. PLEASE NOTE: Parking stickers must be attached to the inside of your windshield to be valid. Holding the sticker in your hand and showing it to the parking attendant will not be acceptable. NO EXCEPTIONS. Vehicles without a parking sticker will be towed at owner's expense and/or subject to other action deemed necessary by Westfest security.

Main Street RV Park: NO vehicles will be allowed to drive in the RV park after 4:30pm on Friday until Monday at 6am for safety reasons.
