

WARRANTY

Refuse bodies manufactured by Labrie Environmental Group, ("Company") are supplied and sold under a Limited Warranty that they are and will remain free of defects in workmanship or material for a period of twelve (12) months from the date of original sale under reasonable conditions of use and operation, provided required planned maintenance services are performed. Extended warranty packages are available for purchase. If a failure occurs during said period because of such defect in the opinion of the Company, the component or part shall be repaired or replaced by an authorized Labrie Environmental Group Distributor at no cost to the customer provided the unit is brought to the distributor's service facility. After three (3) months, performance of adjustments or the replacement of wear/expendable components is not covered under warranty. This limited warranty is the sole and exclusive warranty of the Labrie Environmental Group.

THE COMPANY MAKES NO WARRANTY AS TO MERCHANTABILITY, FITNESS FOR USE, LEGALITY OF OPERATION IN ANY JURISDICTION OR ANY IMPLIED WARRANTY OF ANY KIND OR NATURE. THE COMPANY SHALL NOT BE LIABLE FOR ANY SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND OR NATURE, OTHER THAN ITS LIMITED WARRANTY OF REPLACEMENT HEREIN. NO OTHER PERSON, FIRM, OR CORPORATION CAN BIND THE COMPANY TO ANY WARRANTY OTHER THAN HEREIN ABOVE STATED.

To validate the new unit warranty, an authorized Labrie Environmental Group Distributor must have completed a pre-delivery inspection before the unit is placed into service, and the warranty registration form signed by both the customer and the distributor must be submitted to the Labrie Environmental Group Service Department.

Because Company products are engineered to work only with genuine Company parts, this limited warranty will be void and of no effect if: (a) Company products are modified other than as done at its factory or as authorized to be done by the factory in writing; or (b) Parts or assemblies of any other manufacturer are used as substitutes for genuine Company parts.

Genuine Labrie Plus replacement parts, components and assemblies are also sold under a Limited Warranty to be free from defects in workmanship or material for a period of three (3) months. This is a replacement only warranty and the item must be returned to the Labrie Environmental Group Distributor for exchange. The labor to replace or repair the part shall be the responsibility of the customer. There is no warranty on expendable items, wear components or used parts.

Labrie Environmental Group reserves the right to redesign and/or discontinue the manufacture of parts, components and assemblies at any time.

labrie*plus*

Thank you for your purchase of a new Labrie Expert “T” side loader. To ensure maximum reliability, insist on genuine **labrie*plus*** replacement parts. Labrie Plus replacement parts are designed and manufactured to exacting standards. The use of counterfeit, will-fit or substitute parts may effect the operation and performance of the unit.

Visit our web site at www.labriepus.com, or contact us at 1-800-231-2771, twenty four hours a day, seven days a week. We are available to help you with any questions or concerns.

- 14	435 (60.16)		675 (93.35)
1 - 8	590 (81.60)	660 (91.28)	910 (125.85)
- 14	660 (91.28)		990 (136.92)

NOTES:

1. Always use the torque values listed above when specific torque values are not available.
2. The above is based on use of clean, dry threads.
3. Reduce torque by 10% when engine oil is used as a lubricant.
4. Reduce torque by 20% if new plated capscrews are used.
5. General Formula for calculating Torques is as follows: Torque in Inch Lbs. = .2 x Nominal Diameter of Screw x Loads in Lbs., where Load = 80% of Yield Strength, expressed in Lbs., not pounds per square inch.
