SINCE 2001**

VERSATILE CURBSIDE RECYCLING. PIONEERED BY LABRIE.

Top Select™ 1000

Top Select™ 2000 Maximizer

**CURBSIDE RECYCLING.
PIONEERED BY LABRIE.**

The Top Select™ is a recycling unit built for manual and semi-automated collection of residential recyclable material.

The Top Select™ optimizes collection operations by offering 2 to 7 compartments for pick up of different streams at curbside, for precise on-site sorting.

Optional cart attachments are available for easy roll carts pick-up.

**EASY, SAFE 1-MAN OPERATION.
MAXIMUM EFFICIENCY.**

The Top Select™ can be operated from several driving configurations, for optimal one-man operation.

Stand-up drive positions are available on either or both sides of the truck.

**SMOOTH OPERATION.
MAXIMUM PRODUCTIVITY.**

Two hydraulic cylinders with fully adjustable cushions on both ends allow a smooth and easy operation of the loading bucket. This combination of features generates high levels of collection performance: 500+ households per route, and up to 10,000 lbs payloads with the Maximizer option.

VISUAL CHECK. ON ROUTE ADJUSTABILITY

Steel mesh along the top of the body offers a visual check on material levels for easy on the route adjustability and monitor the position of the Maximizer panel.

Both interior panels and loading bucket separators are adjustable at 6" (152 mm) intervals.

HYDRAULIC MAXIMIZER

Impressive 84" stroke-travel hydraulic Maximizer. Adjustable "on-the-route" compartment; offering maximum compaction.

SEPARATORS & MULTI-FEATURE BODY CONTROLS

Lightweight recycled plastic separators can be moved quickly & easily by hand. No tools needed.

Easy access to the multi-feature body controls from either the left or the right side of the vehicle, on all Labrie cab conversions.

COMPARTMENTS

The Top Select can accommodate up to seven adjustable compartments and are designed with a unique over-the-top dumping system.

PREMIUM PRODUCTS COME WITH PREMIUM SUPPORT.

Labrie is committed to delivering the ultimate ownership experience throughout North America. Our pursuit of excellence continues long after a Leach™, Labrie™ or Wittke™ is put into service.

OUR NORTH AMERICAN NETWORK IS QUALITY DRIVEN:

- **Labrieplus 24/7 customer support system**, provides quality replacement parts, premium hands-on field and live assistance. Peace of mind guaranteed.
- **A network of over 45 premium distributors** located throughout the United States and Canada are highly trained to assist you; providing live assistance from a dedicated staff of professional representatives to support all of our Leach™, Labrie™ and Wittke™ products.
