ALLEYGATOR RIGHT-HAND

THE IDEAL CHOICE FOR ORGANICS COLLECTION

PREPARE YOUR FLEET FOR THE ORGANIC COLLECTION CHALLENGE

Commercial and curbside organic waste collection is a growing reality throughout the country. Whether your business is collection in a big city or a small municipality, the goals remain the same:

- Reduce the amount of organic waste sent to landfills along with the greenhouse gas emissions they produce;
- Increase diversion rate;
- Become economically and environmentally sustainable.

As the industry leader in waste collection solutions Labrie offers the ideal product suited specifically for organics collection.

STAY AHEAD OF THE CURVE WITH THE LABRIE ALLEGATOR RIGHT-HAND.

The Labrie AGR offers the best packing system for organics along with the best automated arm in the market: utilizing the Pendulum Packer system and the Right-Hand arm. The AGR hopper is leak free, has no blade and no clean-out access door. The single stage packing cylinders are located outside the hopper, protected from trash and waste products. The Pendulum packing system eliminates trash "build up" behind the packing panel allowing the hopper to "selfclean". Safer for your operators with no need to clean behind the blade.

The renowned Labrie Right-Hand arm will deliver the smoothness, the precision and the speed you expect from an automated arm. Parked cars and other obstacles will no longer be a hassle with its 12-foot reach and 1,000 pound lifting capacity.

The result: a productive, safe, and easy to maintain truck fitted perfectly for organics collection!

LABRIE AGR

BODY DIMENSIONS

		20 cu.yds.	23 cu.yds.	27 cu.yds.	30 cu.yds.

KEY FEATURES

- Self cleaning hopper
- No blade, no clean-out doors
- External single stage packing cylinders
- Pendulum Packer eliminates trash "build up"
- Leak free hopper and body
- 12-foot arm reach, inline design
- 1000-LB arm lifting capacity
- Smoothest arm on the market
- 20, 23, 27 and 30 cu. yd. body size

BODY SPECIFICATIONS

Body Floor	3/16" ASTM A656 GR. 80
Body Side Walls	10 GA. ASTM 1011 GR. 80
Body Roof	10 GA. ASTM 1011 GR. 80

HOPPER SPECIFICATIONS

Hopper Floor	5/16" Steel 80 000 PSI or better
Hopper Sides	5/16" Steel 80 000 PSI or better

TAILGATE SPECIFICATIONS

Side and Rear Walls	10 GA. ASTM 1011 GR. 80
---------------------	-------------------------

PACKER SPECIFICATIONS

Packer Face	5/16" Steel 80 000 PSI or better
Packer Top	1/4" Steel 80 000 PSI or better

ARM SPECIFICATIONS

Arm Reach	144"
Arm Lifting Capacity	1000 LBS
Arm Cycle Time	10-18 SEC.
Pickup Possibilities	32-96 GAL.

HYDRAULICS

Pump	DENISON T6CC
Pump Flow Packer	20 GPM @ 700 RPM
Pump Flow Arm	20 GPM @ 700 RPM
Hydraulic Tank	66 US GAL.
System Pressure	2500 PSI

CYLINDERS

Body Lifting	6 3/8" 4 sections
Packer	5 x 3 1/2 x 18 1/2
Tailgate	2 1/2 x 1 3/4 x 36
Arm Extension	1 1/2 x 1 x 54
Arm Lift	3 x 1 1/2 x 16
Arm Grabber	1 1/2 x 1 x 6

LABRIE ENVIROQUIP GROUP

Labrie Enviroquip Group is one of the largest manufacturer's of refuse and recycling collection vehicles in North America. Our product lines of Labrie, Leach, and Wittke are renowned to be the most reliable, efficient, productive, and innovative in the solid waste industry today.

Throughout our history, we have been recognized for the design and production of the highest quality vehicles available on the market, while our customers benefit from a single trusted source of engineering expertise.

At Labrie we continually push the boundaries of innovation to provide a greener, safer, smarter and more efficient way of waste management and collection.

We are committed to building and delivering the finest refuse collection equipment in the industry to suit all of your collection needs. With the strongest dealer network in the industry (over 45 distribution points across the continent), our stock and demo program, engineering expertise, and the Labriepius 24/7 customer support center, Labrie delivers the ultimate ownership experience.

Labriepius is Labrie's full service customer support center located in the U.S. Its mission is to provide quality replacement parts and premium hands-on field support to Labrie equipment owners. Labriepius is the single source for Labrie, Leach, Wittke and Pendpac OEM and selected all makes of parts.

DRIVE EXCELLENCE

Labrie is certified ISO 9001-2008 and attests to the quality of these products. Labrie has made every reasonable effort to ensure that the information contained in this brochure is accurate. However, we accept no responsibility for any errors or omissions, and we reserve the right to modify designs, characteristics and products at any time. Contact Labrie for prices and options or to obtain the phone number of your local Labrie distributor.
