

AUTOMIZER™ FULL EJECT

 **labrie**
Labrie Enviroquip Group

CNG

**CNG READY
SINCE 2001**

WHEN A TIP-TO-DUMP TRUCK IS NOT AN OPTION...

The Automizer Full Eject is the perfect solution for customers who want a strong, lightweight ASL that has the ability to dump *without* "tip to dump".

Packing the same benefits as our the standard Automizer Right Hand, the Full Eject model features a seamless body and a hopper floor design that eliminates the need for packer rails and guides.

Our telescopic packer cylinder has more than 83 000 pounds of thrust force ensuring a compaction ratio that will satisfy the most demanding of customers.

The pre-programmed automatic dumping sequence is easily activated with the help of a simple button in the cab.

Safe hopper access on curbside

Self guided packer blade

Larger clean out doors

Full Eject System

12-FOOT
ARM

PICK-UPS/HOUR
ON AVERAGE

EXTENDED REACH

On a 100% automated route, you need to have equipment that can reach its target. The Automizer Right-Hand™ can extend up to 12 feet and lift a 1,000-lb load. This design is simple yet effective, making the entire operation smooth and steady. Maneuvering around parked cars has never been simpler.

HEAVY-DUTY ARM

Our heavy-duty arm was designed to address special lifting needs including 300-gallon and 1,100-liter containers. Our simple design relies on chains that are twice as strong to reduce stretching and premature failure. Our low mass-in-motion concept relies on a smart inline design, therefore the arm doesn't need to be overbuilt or reinforced to compensate for torsional stress, unlike offset designs.

ZERO GRAB

The Automizer Right-Hand™ stop-and-go operation is quick, simple and effective. The zero grab, low swing out Right-Hand™ arm is smooth to operate in narrow alleys and tight spaces.

PREMIUM PRODUCTS COME WITH PREMIUM SUPPORT.

Labrie is committed to delivering the ultimate ownership experience throughout North America. Our pursuit of excellence continues long after a Leach™, Labrie™ or Wittke™ is put into service.

OUR NORTH AMERICAN NETWORK IS QUALITY DRIVEN:

- **Labrieplus 24/7 customer support system**, provides quality replacement parts, premium hands-on field and live assistance. Peace of mind guaranteed.
- **A network of over 45 premium distributors** located throughout the United States and Canada are highly trained to assist you; providing live assistance from a dedicated staff of professional representatives to support all of our Leach™, Labrie™ and Wittke™ products.

LABRIE ENVIROQUIP GROUP

Labrie Enviroquip Group is one of the largest manufacturer's of refuse and recycling collection vehicles in North America. Our product lines of Labrie, Leach, and Wittke are renowned to be the most reliable, efficient, productive, and innovative in the solid waste industry today.

Throughout our history, we have been recognized for the design and production of the highest quality vehicles available on the market, while our customers benefit from a single trusted source of engineering expertise.

At Labrie we continually push the boundaries of innovation to provide a greener, safer, smarter and more efficient way of waste management and collection.

We are committed to building and delivering the finest refuse collection equipment in the industry to suit all of your collection needs. With the strongest dealer network in the industry (over 45 distribution points across the continent), our stock and demo program, engineering expertise, and the Labrieplus 24/7 customer support center,

Labrie delivers the ultimate ownership experience. Labrieplus is Labrie's full service customer support center located in the U.S. Its mission is to provide quality replacement parts and premium hands-on field support to Labrie equipment owners. Labrieplus is the single source for Labrie, Leach, Wittke and Pendpac OEM and selected all makes of parts.

DRIVE EXCELLENCE

Labrie is certified ISO 9001-2008 and attests to the quality of these products. Labrie has made every reasonable effort to ensure that the information contained in this brochure is accurate. However, we accept no responsibility for any errors or omissions, and we reserve the right to modify designs, characteristics and products at any time. Contact Labrie for prices and options or to obtain the phone number of your local Labrie distributor.
