Hello and Welcome!! My name is Tasha and I am the editor-in-chief and founder of *Tripping with Tasha!* One of my greatest goals in life is TRAVELING. I'm a firm believer in the quote "we travel not to escape life, but for life not to escape us". So I figured why not take you guys on my adventures with me! Hopefully, I can help you get new ideas for your next vacation, outing, excursion, and/or quick getaway. I love seeing life through the eyes of adventure. Am I a dare devil...nahhhhh, but I love seeing new things. There is such a myth that you have to spend allot of money, or go far away just to "get-a-way". You can easily slip away whether it be a quick weekend getaway, a staycation, or even just a day trip within your local town. There is such a BIG world out there for us to explore. My blog is dedicated to all those who are not living the life you really want and think it's impossible to do so. No matter what, do what YOU really want to do. It may not always be easy, but I can assure you that it will be well worth it!! If I can do it, you can do it too! I'm just a girl who is crazy enough to believe I CAN DO ANYTHING THAT I SET MY MIND TO DO! Please join me as I share my stories, tips, videos, and photos.
