

Join the St Croix Envirothon!

The Envirothon is an international team-based competition where students learn about forestry, wildlife, soils, and water on the island. Students work in teams of five (grades 6-12), learning from coaches and fieldtrips to solve real-world environmental challenges.

Currently recruiting for St. Croix's 1st ever Envirothon!

Sign up for FREE by March 15th online:

www.viwiaa.org/envirothon

(or scan QR code)
