## President's Message

Can you believe the school year is almost over? And with it, my time as your PTA president. Over the past 3 years I've laughed, learned, & maybe lost a few hours of sleep—but I wouldn't trade a second of it! My time has been packed with incredible moments—from multicultural celebrations to book fairs & everything in between. But what truly made it special was all of you. The volunteers, the late-night texters, the early morning setup crews, & especially the ones who started as helpers, became friends, & then family. You brought heart, warmth, & joy into everything we did. Together, we created more than events—we built memories. As we prepare to complete our last events of the year, I'm filled with gratitude for the chance to be a small part of your children's school days. Their smiles, laughter, & excitement have been the greatest reward & constant reminder of why this work matters so much.

Thank you for your support & for allowing me to serve, lead, & grow alongside you.

❤️ With deepest appreciation, Adelina Snell PTA President ❤️
