

Good afternoon Manatee Bay Families,

As the PTA continues to monitor and adhere to Broward County rules and guidelines during this emergency, we still strive to provide support to our families, students, teachers, and school. We hope you are all staying safe and healthy during this time.

As per our State PTA bylaws, general meetings are not allowed to be conducted via telephone or video conferencing. Given this requirement, we have decided that until further notice, the two general PTA meetings scheduled: April 15 & May 13 have been cancelled.

As stated in the local unit bylaws: Article VI: Officers and Their Election
#Section 6. Any person holding an elected or appointed position in this association shall serve for the designated term or until a successor is elected or appointed. Our current PTA Executive Board will remain in place as we enter into the 2020-2021 academic year with the exception of Julie Romaniw being appointed as MBE PTA Vice President as Jeri Wheeler resigns from this position.

Acceptance and approval of the 2020-2021 Executive Board and PTA Budget will take place at the first General PTA meeting in August.

We will continue to provide updates through our facebook, website: www.manateebaypta.org, and via email as needed. If you, or a family you know, needs assistance please don't hesitate to contact us: mbeptapresident@gmail.com. We are here for you and for our school and community. Looking forward to seeing everyone back in school!
