School's Portrait Rules are as follows:

We want you to have fun with your portrait and allow it to show your personality, but certain rules still apply:

- For best image quality, take your picture outside in natural daylight if you can.
- You cannot use an image you may already have.
- No hands raised in your portrait.
- No hats or sunglasses.
- Please wear your school shirt or a plain color t-shirt.
- Take your picture on a plain background. Be aware of your background. Watch for inappropriate items that may appear.
- Make sure no one else is in the photo frame with you.
- If we find that your portrait is not acceptable, based on these rules, or if there are technical issues with your portrait, we will reject the image and contact you to retake the picture.
