We would like to thank you for attending our:

### ***7<sup>th</sup> Annual Mid State Mopars ALL Car/Truck/Motorcycle***

This show is “*Peoples Choice*” so check out the cool rides and vote on your top 5 for cool trophies, cash prizes, and more. While you’re here check out the auction items, 50/50, and many other great things from some of our local vendors. It is our hope that you have a great time today!

Just so you have a little history, our club was created over 17 years ago by just a few individuals that had a passion for cars. Denny Moore; Bill Peacock; Gary Mayes; Steve Harpster; Jeff Myers; John Runkle; and Rob Spangler. This small group would meet monthly in a local garage and would share stories and good times. It was then that this group wanted to reach out to the community. From there became the beginning of *Mid-State Mopars*.

Denny Moore, Bill Peacock, and Skip Gracey have passed away, and a couple of others have moved on to do other things. However, the love and passion for our car enthusiasts continue today. We still meet monthly for our regular meetings as well as cruise inns, family picnics, and attend other car show events. We enjoy spending time together as we have become more like family and good friends. At the end of each year, we get together for a holiday dinner and discuss and designate charitable funds for a family or two in need. This past year we donated to local elementary school. If you know of someone that could use a little help, please pass it along as we are always ready to support our local families as much as we can. Do you want to join our club, please see the membership application? We would love to see new members and you don’t need to own a Mopar!

This has been a very trying past couple of years and we are glad we could all get together again. Thank you again for coming today. I hope you have a great day.

Sincerely,

Mid-State Mopars Car Club
