Please list all known scheduling conflicts your child may have during the production period, or attach a separate sheet with the details. (Please print clearly.)

CONTRACT TO PERFORM IN AN RMES PRODUCTION

The Director(s) will establish the production schedule within the parameters outlined in the production announcement. You may not be called for every rehearsal, but you should remain available as needed. A read-through or cast meeting may also be scheduled before rehearsals begin, if necessary.

Every RMES cast member is expected to assist the production team in making the show the best it can be. RMES will do its best to assign you to a crew that aligns with your talents and interests; however, everyone is expected to remain flexible as production needs arise.

Additionally, each cast member **may be asked to contribute up to \$50** toward their costume. For families with three or more cast members in the production, the contribution will be \$50 per person for the first three cast members and \$30 for each additional cast member. RMES will explore all available local resources, including existing costume inventory and community donations, before requesting contributions from cast members.

Personal information provided to RMES will only be shared with RMES Board members or their designated representatives.

All photography and videography taken by RMES or its affiliates during an RMES production will be the property of RMES. RMES reserves the right to use these photos and videos for production marketing, publicity, and other promotional purposes as determined by RMES.

By signing your name below, you confirm that you and your child have read, understood, and agree to follow all production expectations outlined in the audition form and site documents. If cast, you and/or your child must sign the official cast list to accept the offered role(s).
