

The RGS III a stand alone powder coated unit designed for wall mount and stationary use. The design is based around the same commercial Center Point™ Concept used in hospitals and airports. The RGS III is using the same 6 inch deep Center Point™ pleated catalyst panel with Merv 13 filtration.

Based on a revolutionary technology to clean, deodorize and disinfect the air
IAQ Solutions Photocatalysis Center Point PCO™

Improves Health and Productivity:

- Reduces Smoke and Odors
- Reduces Airborne Biologics
IE: Mold Spores, Bacteria, VOCs and many other Irritants.
- Reduces Carbon Monoxide
- Continuous Protection

IAQ Solutions' Centerpoint Technology (*patented*) often eliminates the need for costly HEPA and carbon filtration. **IAQ Solutions™** units do not produce ozone.

Step 1: Merv Filtration...

Reduces even particles you can't see. New high efficiency, high capacity, low resistance particle filter reduces most pollen, mold, mildew, ragweed, dust, house dust, bacteria, pet dander and many other submicroscopic poisons, allergens and irritants.

IAQ Solutions, Inc
5202 CR 7350 Suite C
Lubbock TX 79424
Phone: 806-783-0226

Special Features:

- 2 Non-ozone producing lamps
- Variable speed
- Merv 13 Filter: 12" x 24" x 4"
- 1 - 6" commercial duty catalyst
- Voltage: 115 60 hertz
- Amps: 3.4
- Airflow: 200 -650 cfm
- Size: 15" x 16.25" x 33.25"
- Weight 58.2 lbs
- Available in three colors (Black, Gray and White)

T013-BK62
Black Hammer

T075-WH34
Black/White Vein

P009-WH14
White 90 Gloss

Step 2: UVGI Lamps...

Center Point™ uses ultraviolet light to activate the photocatalyst, which reduces and deactivates air borne bacteria, viruses, mold, spores and fungi.

UL FILE NO. E321509 FIFRA 87447-TX-001

Step 3: Photocatalysis...

Using Titanium Dioxide energized by UV light Genesis Air, Center Point™ produces hydroxyl radicals. Hydroxyl radicals are a natural cleansing agent found in the troposphere. Hydroxyl radicals reduce and oxidize biologics in the air stream such as mold, bacteria and viruses, thus rendering them nonviable. Center Point™ safely and effectively neutralizes biologics and reduces concentrations of VOCs.
