BY MICHELLE

# the package

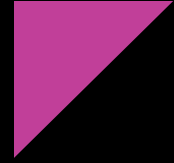

**£995/MONTH FOR  
3 MONTHS**

**High-impact, high-touch mentoring partnership for women who are ready to stop second-guessing themselves and start taking up space, with a business that feels aligned, profitable, and joyful.**

**You're ambitious. You have ideas. But right now? You're stuck. Overwhelmed. Maybe even a little lost in the noise of it all.**

**You don't need another freebie. You need a mentor who sees what you're capable of before you do, and helps you get there with grounded support, sharp strategy, and the occasional loving nudge.**

# this is for you if..

- You're full of ideas but stuck on how to start
- You feel overwhelmed trying to "do it all"
- You're tired of feeling behind everyone else
- You're working in your business instead of on it
- You want guidance, clarity, and someone to walk beside you

If any of that resonates, trust me, I know exactly what that feels like. You don't have to stay stuck.

# how

2 x 60-minute 1:1 sessions per month  
We go deep into your business,  
untangling ideas, identifying blocks, and  
creating a plan that works for you (no  
rigid formulas here).

Private voice note support  
between sessions  
via WhatsApp or Voxer, Monday  
to Friday. For those 'I just need to  
talk this out' moments. You're not  
alone.

# what my clients say

"She asked the right questions, challenged my limiting beliefs, and made me see my business in a way I never had before. It completely shifted my mindset."

"In just one session, Michelle helped me gain clarity and confidence. She cut through the chaos and helped me see what mattered. And then, she went above and beyond, connecting me with a lawyer to help protect my business IP. Who else does that?"

"Michelle brings the heart of a trusted friend with the brain of a strategist. I left every session feeling clearer, lighter, and more capable."

# what my clients say

THE FEMALE BUSINESS MENTOR

"Her warmth made me feel instantly at ease, but don't be fooled, she's razor-sharp. She took me from stuck and scattered to structured and ready."

"She gave me clear, actionable steps at a time I was feeling really lost. It was like she reached into the fog and pulled out a map."

"What Michelle offers isn't just business mentoring, it's belief, strategy, clarity and connection rolled into one."

# ready to take the next step?

**This isn't for everyone. It's for the woman who is ready to invest in herself, do the work, and finally stop playing small. If that's you? I'd love to help.**

*"Michelle saw something in me that I didn't believe at the time, a spark I hadn't yet recognised. Her words echoed in my mind, and eventually, I took the leap. She saw it in me before I did."*
