Dear Parishioners,

Today the Easter Season concludes with the celebration of the great Feast of Pentecost. (*I believe its' the most underrated day in the liturgical year!*) Pentecost marks the "*Birthday of the Church*", a momentous occasion when the Holy Spirit, the Third Person of the Blessed Trinity, descended upon the Apostles.

With the coming of the Holy Spirit, the Apostles were transformed and empowered to proclaim the Gospel to all the ends of the Earth. Of course, the work of the Spirit continues today until the end of time! Pentecost is considered the birthday of the Church - as it is when Peter, the first Pope, preaches for the first time and converts thousands of new believers.

For the first time, the apostles and believers were united by a common language and a common purpose of going and preaching the Gospel. As we mark this important Feast, let us call upon the Holy Spirit to guide and direct our individual lives and the life of our parishes in Burrillville. At Confirmation, we received the Holy Spirit in its fullness. With that, we each received the supernatural gifts of the Holy Spirit, which are wisdom, understanding, knowledge, counsel, fortitude, piety and fear of the Lord. These gifts enable the believer to live out the Faith and conform more perfectly to Christ. How often do you and I pray to utilize these awesome spiritual gifts in our lives?

"Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit, and they shall be created. And You shall renew the face of the earth."

God bless,

Fr. McMahon

A Message from the Coordinator, Mrs. Aldredge....

"We'd like to let you know that we will be delayed in putting the outdoor tent up this spring. The condition of the frame is such that repair work will need to be completed prior to setting the tents. The Shrine offers its sincere thanks to Annie Godon and Shelly Grimaldi for their generosity in painting the benches. This work is underway, but we would certainly welcome additional assistance with it. Please contact the Shrine Coordinator if you would like to give Shelly and Anne a hand.

The Shrine wanted to also address concerns related to mowing grass. At this time, we will undertake a program of limited mowing both for it's general benefit to the environment, the earliest spring flowers are essential sustenance for bees, and due to the very high cost of gasoline and equipment repair.

Thank you for your support as we undertake these changes in our landscape maintenance. Any concerns, do not hesitate to reach out to me at the Parish office." -Silvia
