Dear Parishioners,

Happy Mother's Day to all mothers of St. Theresa's and Our Lady of Good Help! Today we remember and express gratitude for all of our mothers, living and deceased. We also look to Our Blessed Mother as the perfect model of motherhood and invoke her maternal intercession for us all! Join us this Monday evening at 7 PM at St. Theresa's Church for an "Evening with Mary" Rosary and Benediction service. This is a wonderful way for us to honor the Mother of God!

Last Tuesday evening, Bishop Evans confirmed thirty-nine candidates at Our Lady of Good Help Church. Many thanks to all who prepared and participated in the Confirmation Mass in any way. It was a beautiful, prayerful and dignified celebration of the outpouring of the Holy Spirit upon the young people of our parish communities.

This weekend the annual "Pro-Life Rose Sale" will be held after every Mass. Proceeds go to support directly the noble efforts of the Mother of Life Center in Providence, a nonprofit organization committed to promoting the Gospel of Life. They are very much on the frontlines of the pro-life ministry and are proactive in reaching out to women in troubled pregnancies. Your support is appreciated!

Finally, this weekend I will be making an important announcement regarding the progress of pastoral planning of our parishes and region. Ultimately, we are in good position for building a positive future for our parish and shrine. *Stay tuned!*

God bless,

Fr. McMahon

Religious Education

Reminder: Students in First Communion & Confirmation Preparation are required to *sign in* at weekend Mass every week. Incoming Confirmation II students are expected to do so during the summer months.

Registration for 2019-20: Registration forms for returning students have been sent home. Please consider registering in the Spring, which help alleviate the "registration rush" in September. Forms are also available at both churches. **Please note**, with the potential unification of the parishes, there are no foreseeable changes in the religious education program next year.
