OCTOBER 23 - WORLD MISSION SUNDAY

Over one billion Catholics all over the world observe today as *World Mission Sunday*. This annual observance was instituted 96 years ago in 1926 by Pope Pius XI's Papal decree. Every year since then, the universal Church has dedicated the month of October to reflection on, and prayer for the missions. On World Mission Sunday, Catholics gather to celebrate the Eucharist and to contribute to a collection for the work of evangelization around the world. This annual celebration gives us a chance to reflect on the importance of mission work for the life of the Church. It reminds us that we are one with the Church around the world and that we are all committed to carrying on the mission of Christ, however different our situations may be. His holiness Pope Francis in his World Mission Sunday message, with the theme for 2022 "You shall be my witnesses" (Acts 1:8) focusing on our responsibility as a missionary, wrote:

The Church, according to Vatican Council II, is "missionary" in her very nature because her founder, Jesus Christ, was the first missionary. God the Father sent God the Son, Incarnate in Jesus, His Christ, into the world with a message of God's love and salvation. Thus, the evangelizing mission of the Church is essentially the announcement of God's love, mercy, forgiveness, and salvation, as these are revealed to mankind through the life, death, and Resurrection of Jesus Christ our Lord. How should we evangelize? By living an exemplary and transparent Christian life, by prayer and by financial support. Hence, first of all, the most powerful means of preaching Christ is by living a truly Christian life - a life filled with love, mercy, Kindness, compassion, and a spirit of forgiveness and service. Prayer is the second means of missionary work. Jesus said: "Without me you can do nothing." Therefore, prayer is necessary for anyone who wishes to accept Jesus as Lord and Savior. Thirdly, all missionary efforts also require financial support because the love of God can often be explained to the poor only by providing them with food, medicine, and a means of livelihood. Hence, on this Mission Sunday, let us learn to appreciate our missionary obligation and support the Church's missionary activities by leading transparent Christian lives, by fervent prayers, and by generous donations.

God bless you all

A large crowd of men, women and children gather around Jesus in this vibrant scene of the miracle of the Multiplication of Loaves and Fish, found in all four Gospels. Before this miracle, Jesus had turned water into wine at a wedding at Cana and healed a sick child. After this miracle, he will walk on water and deliver his Bread of Life

discourse on the Eucharist. This miracle unfolds amid a surge of powerful deeds of Jesus as the Jewish feast of Passover nears. By blessing and multiplying the physical food of five loaves of barley bread and two fish, Jesus reveals the divine power behind his miraculous works. He anticipates his own Passover when he will offer himself on the cross, willingly out of love. Jesus' passing over from life to death to new life in God is at the center of the gift of the Eucharist.
