

We look forward to working with Tracey to provide us guidance and support in our goal to enhance local health care in our community. Already on the job in our Photo Op with Equipment Purchases of Airvo, Blood Pressure Monitors, Bronchoscope, Stools and Vital Signs Monitors. These purchases are made possible by the community's generous donations.

From Left to Right: Larrisa Lewis, Respiratory; Suzanne Curran, Windy Slope Chair; Diane Bert Stucky, Board Member; Tammy Carmichael, Board Member; and Tracey Correia, Pincher Health Centre Site Manager.
