

Windy Slopes Health Foundation Trustee Application Package

Thank you for your interest in serving as a Trustee on the Windy Slopes Health Foundation volunteer board of directors. The Foundation holds eight regular monthly meetings per year and may meet 2-3 times per year for event planning as needed. Regular board meetings are normally 90 minutes in length or less.

The volunteer board of directors act as stewards of donated funds, ensuring that all dollars raised in the community are spent wisely for the benefit of health care services in Pincher Creek. Purchasing decisions are reached following discussion at the board level, working from a list of local equipment and programming needs submitted by local hospital staff and approved by Alberta Health Services.

In order to assist us in the selection process, please complete this form as fully as possible. Background information that you provide will be shared with current board Trustees only.
