

TRUMBULL EAGLES RUGBY

SPONSORSHIP INFO

This is the inaugural year of Rugby at Trumbull High School! We had 100 male and female students attend the first interest meeting! That means we will have at least two boys teams and one girls team.... maybe even more. As a first year new sport to Trumbull High School, rugby is currently designated as a club sport under the auspices of the Trumbull High School Athletic Department. As a club sport, the rugby teams will receive no financial support from the high school or outside sources. This makes sponsorship and fundraising imperative for the success of the rugby team at Trumbull High. We hope you will be able to help us set up Trumbull High Rugby for success. The Trumbull Eagles Rugby Club is incorporated as the booster club that will support boys and girls high school rugby at Trumbull High School. We are a non-profit organization, so all of your donations are tax deductible. There are many opportunities to assist us in providing youth and high school rugby to Trumbull.
