NEW PARTICIPANT ORIENTATION

Welcome: The purpose of this orientation is to empower our Participants to make informed and appropriate decisions to ensure their success while on the CTPP program. CTPP staff will provide clear information regarding the requirements in order to remain in compliance while on the program.

Office Protocol:

- Please Sign in/check in at the reception desk. Office hours are 8:00AM to 12:00PM and 1:00PM to 5:00PM, Monday-Friday. **We are closed from 12-1 during the lunch hour.**
- Please allow **30 minutes** prior to the lunch hour or the end of the work day when coming into the office to see your Caseworker.
- A notice will be posted if the office will be closed. Notification of office closure will be provided in advance as early as possible.
- California Tribal TANF Partnership has a zero tolerance policy for “intense verbal or physical aggressive behavior.” Profanity is not acceptable. If you insist on using profanity, you will be asked to leave and reschedule your appointment.
- We suggest making an appointment to see your Caseworker unless it is an immediate need or an emergency.
- **24 hour notice of any needed documentation** that is to be mailed, faxed, picked up or copied in person is required.
- CTPP does not provide copies of Participant documents beyond what is initially provided during the intake process. We will no longer be able to fax documents for Participants that are not TANF related.

Mandatory Drug Testing: CTPP Participants are required to take a drug test upon initial intake, annual recertification and at any time that a Participant appears to be under the influence in the presence of a CTPP staff member.

New Participants are required to appear for drug testing no later than 10 days after the initial intake date. Failure to adhere to this policy will result in denial of your case.

Confidentiality: CTPP takes your privacy seriously, given this we would like you to be aware of the following:

- All of your information will be kept secure and protected.
- CTPP staff is not permitted to initiate contact or discuss case information in a public place. A participant may initiate contact, however, we ask that you do not discuss program related issues outside of CTPP offices.
- All CTPP staff are Mandated Reporters. Your information will be protected with the exception of our legally mandated obligation to report child abuse/neglect.

Notices: All notices that are sent from a CTPP office are mailed to the last known address. It is your responsibility to notify your Caseworker of any address changes within five (5) days.

If mail is not returned to our office by the post office, it is assumed the mail has been received. Failure to check your mail is not a valid excuse that you were not notified of an action.

Monthly Reports: Your Monthly Eligibility Report (MER) is due the day that your monthly cash assistance check is picked up. If your MER is not submitted by the 10th of the month, you will receive a late MER notice which could result in the late MER Non-Compliance Policy being imposed.

Your MER must be completed with all required documentation attached, (i.e., bank statements, all income verification, including Cal Fresh, Medi-Cal, per capita, child support and child(ren)'s school attendance, etc.). If your MER is incomplete **it will not** be accepted or processed.

It is your responsibility to ensure your MER is complete without error. If an error is found, the MER will be returned to you via mail for correction and a missing MER notice will be sent.

The MER must be clean legible in order to be placed in your current case file. The MER **must** be completed in blue or black ink, not pencil.

Report any and all changes in regards to household size, all income, address change etc. within five (5) days to your Caseworker, as well as on your MER.

Required Documentation: In order to determine continued eligibility, supporting documentation will be requested by your Caseworker or other pertinent CTPP staff. You will be required to submit requested documentation by indicated date and time. If unable to submit requested documentation, CTPP may not be able to determine continued eligibility, thus closing your case.

Annual Recertification: Each year prior to your CTPP anniversary date, a recertification appointment must be completed. During this appointment you will complete a new application, update forms and provide any updated documentation. Failure to complete recertification will result in case closure the last day of the recertification month.

60 Month Time Limit: Participants who have reached their 60 month time limit will be referred to the county for assistance if needed. Your family will no longer be eligible for assistance from CTPP.

You will meet with your Caseworker at 55 months to review your case plan status. At 57 months, you will discuss the process of transferring your case to the county if needed.

Compliance Department: CTPP has a Compliance Department that is required to enforce state and federal guidelines which include, case audits, case file reviews and the prevention and investigation of fraud. Failure to comply with CTPP Compliance Department could result in penalties, sanctions and/or case closure.

Failure to allow the Compliance Investigator access to your home during a home visit may result in case closure.

Overpayment: At any time if CTPP determines there has been an overpayment on your cash assistance benefit, you will be required to repay the overpayment.

Case Plan Appointment: Each adult is required to meet with their assigned Caseworker for a case plan appointment. During this appointment, a Case Plan Orientation will be presented, which will inform you what is expected of you during that phase of the program.

By signing this document, I agree that CTTTP Site Staff has read and explained the contents of this document to me, and that I fully understand.
